

Dear HOMEOWNER,

I recently sent you some materials and I wanted to make sure you had a chance to look it over.

I've helped many divorcing homeowners navigate the sales of their previous homes.

Approaching a home sale after divorce can be stressful — and cause a lot of unnecessary headaches. I'm fully equipped to help you through this process as seamlessly and successfully as possible.

Would you consider selling your home if you could get the right price? If you answered "Yes," I'd love to sit down and talk with you about the plan I've come up with to sell your home for the greatest amount of money in the least amount of time.

I believe you deserve to capitalize on the home investment you once made and have an opportunity to move forward.

Contact me, and I'll show you the specific plan I've developed to sell your home for the most money possible, quickly.

Best Regards,
