

Dear Parents:

Healthy eating is so important for children. At Wabasha-Kellogg, we work hard to ensure students receive a healthy breakfast and lunch each day to support their developing brains and bodies. Research shows that children who eat regularly, nutritious meals are more likely to attend school and be engaged in learning.

We are excited to partner with United Way and Every Meal to offer a free weekend food program to our students. The program is free for all families. Families may choose from five different meal options. All bag types contain 4-5 pounds of nutritious, non-perishable food, including a variety of fruits, vegetables, proteins, grains, and soups/entrees. Bag types are identified by different colors of Every Meal Logo. Each color has 4-5 variations to ensure families do not receive the same items every week.

Blue Bag	Tailored for East African dietary preferences. This bag is pork free and may contain items such as tuna, spaghetti, black-eyed peas, corn flour, fava beans, and tomato products.
Green Bag	This bag offers the widest variety of food items, such as chicken, tuna pasta, rice, mac and cheese, chili/soup, and varied vegetables and fruits.
Orange Bag	Tailored for Latino dietary preferences. This bag may contain items such as rice, black beans, pinto beans, corn flour, fideo pasta, enchilada sauce, chipotles in adobo, and diced chiles.
Purple Bag	Tailored for Southeastern Asian dietary preferences. This bag may contain items such as rice, rice noodles, coconut milk, bamboo shoots, curry paste, green beans, and mandarin oranges.
Yellow Bag	Tailored with all ready-to-eat items which require little or no preparation, this bag may contain items such as dried fruit, tuna salad, chicken salad, sunflower seeds, granola, oatmeal, and soups.
