

Cleric Relic T2 stats; Dream Orbs aka RNG Runes.

BiS for cleric DPS is red/bold (highest attainable SP).

BiS for cleric TANK is blue/bold (assuming you're block capped).

Brackets denote total SP or end gained before soul buffs from that top category type item.

Notes:

- Grey items = non-BiS.
- Coloured items = BiS.
- The following item orbs are shared stats:
 - Helm and shoulders, Chest and legs, Gloves and feet.
- Currently, belt and cape cannot have dream orbs applied - none of the right side allows for dream orbs.
- EACH raid tier of gear will have a different stat "range" to the orbs. The list below is of the Tier 2 SL raid gear sets. T1 SL will have lesser stats, the list goes on for lesser gear with lesser stats.**
