Agenda 1. Welcome and Introduction

The Chair welcomed the members and PRs.

Agenda 2. PR Dashboard Presentations and Discussions

No	Key Recommendations from Oversight committee	CCM Decisión	Person Responsible	Due Date	Status
1	WVI - Very low KP results reported by APNG & HWW for NCD		WVI	Ongoing	
2	WVI - Late/ Incomplete reporting continues to negatively affect the results. Completeness and timely submission of BMU reports continues to negatively affect other indicators; Significant drop in timely submissions rate in P12 i.e. 75/256 (29%) Drop in 'Completeness' of reports also noted in P12. fewer BMUs 308 (57%) submitted their reports compared 60% in the last report.		WVI	Ongoing	
3	RAM - NHIS reports are supposed to be completed before one month. Some provinces such as Enga and Western Highlands have done very well while others have done badly, particularly East New Britain and Jiwaka		RAM, NDoH,	Ongoing	
4	RAM – Malaria Testing Rates are very good except in Southern Highlands, Enga and Hela – in general		RAM	Ongoing

	though, many health facilities are not recording cases well				
5	RAM - No stock outs of malaria drugs recorded except where health staff fail to inform the program that they have run out – this experienced even in Port Moresby.		RAM	Ongoing
