

# JFK A Cappella Cast List

Spring 2022

Congratulations! You have proven yourselves to have the vocal and performance skills necessary to be a member of this new and selective ensemble. To everyone who auditioned but didn't make it, thank you for sharing your talents, and thank you for having the confidence to put yourself out there. This was not an easy decision to make. Please don't let this discourage you from participating in choir - we'd love to have you join us in some capacity.
