Hey  [Name] ,

If you have found creating high-converting and attention-grabbing marketing content and design templates challenging, you are not alone! 🤝

✅ I'm sure you must have tried every solution to do that and yet failed because of issues, like:

- ✓ Writing marketing copies and creating designs on your own.
- ✓ Hiring freelance Copywriters or agencies to get marketing content, copies and designs created.
- ✓ Paying huge amounts to get costly writing and designing software.
- ✓ Spending big on designing a single marketing content and design template.
- ✓ Still unsure if your or the ones created by freelancers and tools will meet the requirements of your campaigns.

But what if I told you that you can avoid all these challenges and get super engaging marketing content and design templates? 🚲

Yes, it's all possible – 🎓 thanks to the thriving AI technology!

AI is everywhere and is being considered to solve many marketing challenges, and it also includes writing high-quality marketing content and creating design templates...

Yeah, AI is the future driving force that will surely make everything great...including marketing content and designs to help users enjoy unprecedented business growth...

And that's how CopySketch was born to help you create stunning marketing copies and design templates with Artificial Intelligence in the backdrop, making it all happen...

Believe it or not, CopySketch's AI system takes only 3 steps to create marketing copies and design templates... 🙌

Step 1 - Login To The CopySketch App And Select The Content & Niche You Want To Create For.

Step 2 - Let AI Do The MAGIC!

Our AI Will Now Create High-Converting Marketing Copies And Even Offer Marketing Content Design Templates To Meet Your Needs.

Step 3 - That's It!

Download, Publish And Start Driving Traffic That Converts And Makes Sales For You 24X7!

And it also packs a punch with breath-taking features, like:

- ❖ 400 Templates From Multiple Categories Like Sales Page, Upsell Pages, CTAs, Headlines, Squeeze Pages, And Even More
- ❖ 100 Page Design Options
- ❖ Ability To Generate 50 Scripts Per Day
- ❖ In-Built Content Editor
- ❖ Cloud-Based App
- ❖ DFY Training Module

And so much more...

It also comes with the Commercial License to make you offer marketing content and design template creation to lots of hungry buyers, and that too, at your own pre-decided price.

Do you know what it means?

It simply means you charge buyers any price and pocket 100% of all profits without sharing...

Why wait and continue trying the old way to generate marketing copies and designs when you have a reliable AI-enabled solution in hand?

And don't ever worry if CopySketch does not work for you...

Because you get to claim 100% refund if you return your order within 30-days of the purchase...

Wait, to make this even awesome, I am giving you bonuses worth \$19,999 FREE only if you book CopySketch now!

Hurry, get CopySketch now in a super deal before the price hits the roof!

Hey  [Name],

Let's talk heart to heart in this mail and I'll only take 2-3 minutes of your time... but it will be worth every minute!

Who does not want to become successful and leave a boring 9 to 6 job 🕒 and earn huge even when asleep? 

Well, that's the dream  of almost everyone!

And to cherish this dream, you must have tried several times, and faced issues, like:

- Develop a product or a solution that may work in your niche.
- Invest your hard-earned money, blood, and sweat into it.
- Hiring professionals and paying them top dollars to set up your business.
- Still have no idea if your module will be good enough to help you run a profitable business and lead to a laptop lifestyle.

You will agree with me that all this means playing in the blind with no surety of results...

But it's time to rise above all these and finally fulfill your wish of having your own business and making insane money online...

Hey, I'm not kidding!

Because I'm writing you  about an unseen solution to finally end your woes – once and for all!

With this solution, you will be able to offer marketing content creation like sales pages, emails, video sales letters, CTAs, headlines, and more and their design templates to hungry buyers...

And once that happens, you will start earning big and have your own 6-figure agency...

Because you will have the freedom to charge your users any amount and not share profits with anyone.

All this will be possible because of...

Introducing...CopySketch... 

 CopySketch is a patented AI-tech solution that lets you access attention-grabbing marketing content and design templates – leading to traffic and leads in any niche!

The best thing about this tool is that it comes with a remarkable feature called Commercial License.

Using the same, you can offer marketing content copy and design template creation to your users at any price and keep 100% of profits.

CopySketch is heavily loaded with awesome highlights, like:

- 400 Templates From Multiple Categories Like Sales Page, Upsell Pages, CTAs, Headlines, Squeeze Pages, And Even More
- 100 Page Design Options
- Ability To Generate 50 Scripts Per Day
- In-Built Content Editor
- Cloud-Based App
- DFY Training Module

And even a lot more...

If you have wasted money using different modules to make some, just stop!

Because an unprecedented business opportunity to earn big and become a known name is waiting for you!

All you have to do is – book CopySketch right away  [\[Link\]](#)

And hey, you also have nothing at stake if this app does not work for you...

Because you can ask for a 100% refund within 30-days of your order...

And let me sweeten your deal – get fast-action bonuses worth \$19,999 FREE if you make CopySketch yours today!

Cheers,

- Stop Losing Out To Rivals – A Breakthrough Module Is Here
- Struggle No More To Engage Users And Enjoy Massive Leads & Sales

.....

Hey  [Name],

Answer me a genuine question... 

How many times have you tried everything to include in your campaign and still saw your rivals walking away with business results like traffic, leads, and sales?

Have you tried to find the missing success link?

If not, make sure to go through my entire mail now...

Do you want to know why?

Because it's going to be rewarding...

Believe it or not, this email has ended up in your mailbox like a change you have been waiting to bridge the success link between you and others...

If you are serious, I'm here to reveal the big secret...

You need to know if you continue using done-to-death marketing content like sales pages, emails, video scripts, ads, banners, and their designs, it won't engage your users to take action.

Wondering why? 🙋

Because they have already seen the same style elsewhere and think you may be copying...

Look, it is not going to leave a good impression and your visitors may not convert into paying ones...

And it also goes true for marketing content design templates...

So, what's the solution?

You need a powerful solution that lets you access fresh and unused marketing content and design templates to engage your prospects inside out...

And guess what?

You don't have to spend even a fortune to embrace this insane module...

Because it comes to you at a 'never-seen-before' and a 'jaw-dropping' price...👁👁

Check out what will you get inside this incredible app:

- ☐ 400 Templates From Multiple Categories Like Sales Page, Upsell Pages, CTAs, Headlines, Squeeze Pages, And Even More
- ☐ 100 Page Design Options
- ☐ Ability To Generate 50 Scripts Per Day
- ☐ In-Built Content Editor
- ☐ Cloud-Based App
- ☐ DFY Training Module

And so much more...

And you can also make real money online by offering marketing content and design template creation services to anyone at a price you want...

It will make you pocket 100% out of every sale made because there is no need to share your profits with anyone at all...

Yeah, the Commercial License included in this app is going to make it happen...

Wait, you are also getting even more because today is your lucky day...

If you book your copy of this stunning software now, I'll also let you take home FREE bonuses worth \$19,999!

Do nothing – just click on this  [\[Link\]](#) and be one-step ahead of your competitors in any niche...

.....

Hey [Name],

I had dropped you an email a few days before intimating you about a remarkable solution launching that will finally engage your users and convert them into paying customers...

Remember that?

I am again writing you today because that module is now LIVE!

I've named it CopySketch  [\[Affiliate Link\]](#)

Do you know you need something appealing enough to arrest the attention of your users...enough to help them take action?

And one of them is having the best quality marketing content like sales pages, emails, ads, banners, opt-in pages, CTAs, headlines, and even their designs...

If not, then your prospects may simply abandon your campaigns...

However, the big problem is creating high-converting marketing content and design templates is not easy...and it involves many roadblocks...

Yup, you may have faced many challenges to create the best marketing content and designs and tried different solutions, like:

- Staring at blank screens for hours thinking about what to write.
- Bothering if your created marketing content will indeed appeal in your niche.
- Spend a fortune on hiring copywriters, wait for ages for the final product, and still be unconvinced about their delivered results.
- Buying expensive software solutions to create content online.
- Splurging huge on getting designs for marketing content created.
- Buying costly tools to manage designing marketing content templates.
- Still being unsure because you have no idea whether delivered design templates will fit in your campaign formats and will be compatible everywhere.
- Stressing about being behind your rivals despite spending so much.

What's the solution, then?

Don't stress at all! 🙌

Because I have realized the significance of the next-level AI tech...

And I have leveraged it to come up with a solution that could easily address your woes...

Introducing...CopySketch... 📣

It's patented AI-powered software that creates attention-grabbing and high-converting marketing content and design templates for any campaigns in any niche...

Using CopySketch is also less complicated...

Because all it takes is only 3 steps to work wonders...

Step 1 - Login To The CopySketch App And Select The Content & Niche You Want To Create For.

Step 2 - Let AI Do The MAGIC!

Our AI Will Now Create High-Converting Marketing Copies And Even Offer Marketing Content Design Templates To Meet Your Needs.

Step 3 - That's It!

Download, Publish And Start Driving Traffic That Converts And Makes Sales For You 24X7!

And CopySketch is even jam-packed with outstanding features, like:

- 400 Templates From Multiple Categories Like Sales Page, Upsell Pages, CTAs, Headlines, Squeeze Pages, And Even More.
- 100 Page Design Options
- Ability To Generate 50 Scripts Per Day
- In-Built Content Editor

- Cloud-Based App
- DFY Training Module

And so much more...

And it even lets you make insane money online...

Yeah, you can offer marketing content and design template creation services to desperate buyers at no extra cost...

What does it mean?

You are free to ask for any amount from desperate buyers and keep 100% profits yourself.

So, don't look elsewhere and continue suffering...

Book CopySketch now, and even walk away with fast-action bonuses worth \$19,999 FREE...

And guess what?

You can also ask for a 100% refund if my software fails to live up to your expectations...

Yeah, let me know within 30-days of your purchase and get your every penny refunded...

And that means your investment is super secured!

.....

Hey [Name],

Got 2-3 minutes to spare? 

I want to talk to you about a real opportunity to make cool passive income online!

Ready?

Here are some questions... 

Have you tried every other solution coming your way claiming to make you lots of money and still failed?

Have you been feeling like quitting because you are struggling big time to make even a decent income online?

If yes, you are not totally at the fault...because...

- It's hard to hold the attention of users and tap insane traffic, leads, and sales coming...
- The cost of coming up with a remarkable solution to make money is so high...
- You are unsure if your created product will work in your niche and command you the desired price...

All these mean running risks...

And guess what?

You are still unable to make money and live a digital nomad lifestyle...

But thankfully, a powerful solution is already LIVE that creates high-converting marketing content and design templates to drive massive engagements and sales...

It's called CopySketch [\[Affiliate Link\]](#)

And the best part is, you can even use this module to make money big time...

Hold your excitement a bit because I am revealing all details in this email...

Look, a large number of people are looking desperately for marketing content and design template creation services...

And you can rise to the occasion and offer them marketing copies like sales pages, opt-in pages, email swipes, video sales letters, and more...including their design templates...

And here's the best part...

You can easily charge them any amount as per your wish...

That's possible because of the mesmerizing 'Commercial License' feature included inside CopySketch...

This way, you can charge any amount for your services and even keep 100% of every sale made...

Woah...once this happens, you will finally unlock the hidden opportunity to make money online without...

- ✗ creating any product
- ✗ backbreaking
- ✗ trying other modules,
- ✗ And still failing...

So, just leave everything to CopySketch and see how it works to help you live a laptop lifestyle...

And even if CopySketch fails to work for you, your money is secure...

Because you can ask for a 100% refund within 30-days of your order...

Literally, you have no risks running...

Book CopySketch right away, and even access fast-action bonuses worth \$19,999 FREE!!!

Software Angle Swipe - CopySketch

Subjects

- Software Creates Stunning Marketing Content And Designs In Any Niche
- Finally, Create Marketing Content And Designs That Converts Like Crazy

.....

Hey [Name],

Did you know why you are unable to convert your campaigns' visitors into paying customers?

What has been stopping them to convert just like your rivals?

If you have not yet given attention to all of these, your effort to run any campaign to drive traffic, leads, and sales is going down the drain...

Yes, I'm serious!

The missing link that may have been stopping your prospects to convert could be your non-engaging marketing content, copies, and designs...

Yes, the truth is out...

No matter what campaign you launch, you need a high-converting copy and a design that keeps your visitors hooked...

And unless that happens, you are not going to get business results like traffic, leads, and sales in any niche...

But, you are also not entirely at fault...

Because I'm sure you must have tried every solution out there to create marketing content and designs and faced challenges, like:

- Creating marketing content and designs on your own.
- Hiring copywriters and design template experts and paying them top dollars.
- Buying expensive modules to do the job and still not getting the expected results.
- Being unsure if the delivered outputs on your own, by freelancers and software will meet the needs in your niche.

But what if I say you can avoid all these pains, and opt for an app that does all?

Believe it or not...Artificial Intelligence (AI) is going to rule the roost these days...

With AI being the next-level thing resolving all challenges... it also includes writing those marketing content and designing for them that converts!

Yeah, AI-powered marketing copies and designs are the best way to hold the attention of your users...enough to convince them to take action...

And it's where the need of the hour is to make the most of AI-enabled software...

Meet CopySketch...

It's An AI-Patented App That Creates Marketing Content And DFY Designs For Any Copy...

And all it takes is only 3 steps to do that...

Step 1 - Login To The CopySketch App And Select The Content & Niche You Want To Create For.

Step 2 - Let AI Do The MAGIC!

Our AI Will Now Create High-Converting Marketing Copies And Even Offer Marketing Content Design Templates To Meet Your Needs.

Step 3 - That's It!
