Dear Parent(s) and Guardian(s),

As we reflect on the past school year, it has become clear that student behaviors on our school buses are increasing and need immediate attention. This is a serious issue that impacts the safety and overall experience of both students and bus drivers. Ensuring a safe and respectful environment on our buses is essential for the well-being of everyone involved. Riding the bus is a privilege, and we expect students to adhere to specific behavioral standards to maintain this privilege.

To address ongoing challenges, we are implementing a new three-tiered system for managing student behavior on school buses. This system categorizes behaviors into three tiers, with corresponding consequences designed to promote safety and respect. Ensuring that our buses are safe for driving is crucial not only for the physical safety of everyone on board but also for the mental and emotional well-being of our students. A safe and orderly environment allows bus drivers to focus on the road, and students to feel secure during their commute.

Tiered Behavior System

Tier 1 Behaviors:

- Examples (not limited to): Eating, Trash, Standing, Throwing, Changing Seats, Body part out of the window, Being Loud, Name calling (conflict), Bus Stop Safety Violation, Getting off at the wrong stop, Riding on the wrong bus, Profanity (Non-directed), PDA (Minor), Turning around in your seat, Insubordination/Disrespectful, Lying.

Consequences:

1st Offense: Warning (Talked to by Bus Driver and Principal - Call Home)

2nd Offense: 1 month off the bus

3rd Offense: Removed from the bus for the remainder of the school year

Tier 2 Behaviors:

- Examples (not limited to): Habitual Tier 1 Offenses, Throwing (Major), Inappropriate Electronic Use (Videotaping - Staff/Students without consent, games/apps, etc.), PDA (Major), Theft (Minor), Profanity (Directed), Profanity (F word).

Consequences:

1st Offense: 1 month off the bus

2nd Offense: Removed from the bus for the remainder of the school year

Tier 3 Behaviors:

- Examples (not limited to): Bullying, Harassment, Intimidation, Fighting, Vandalism, Weapons, Alcohol, Illegal Substances, Inappropriate Paraphernalia, Theft (Major), Inappropriate Electronic Use (Inappropriate websites/photos/images/videos, etc.).

Consequences:

1st Offense: Removed from the bus for the remainder of the school year

These measures aim to create a safe and respectful environment for everyone on our buses. Our goal is to support our bus drivers in maintaining a safe transport environment for all students. We appreciate your cooperation and understanding in reinforcing these standards with your children.

If you have any questions or concerns, please feel free to contact our Transportation Director or the building administrator at your child's school. Remember, our collective efforts contribute to a safer and more respectful community for our students.

Thank you for your continued support.

Respectfully,
GPS Administrative Team
