

## Student Engagement Rubric

Criteria	Excellent (3)	Satisfactory (2)	Needs Improvement (1)
Active Participation	Student actively participates throughout the exercise, consistently following instructions and contributing to the rhythms and patterns.	Student generally participates in the exercise, occasionally requiring prompts to stay engaged or maintain the rhythm.	Student rarely participates.
Collaboration	Student effectively collaborates with peers, responding to cues, and contributing to group cohesion by synchronizing their rhythms with others.	Student somewhat attempts to collaborate with peers, though at times disrupts group cohesion.	Student does not engage in peer collaboration.
