

I conducted market research in the painting niche for warm outreach. I gathered insights from customer reviews mainly just found desires. Couldn't find much pain so using the knowledge I had plus AI found some pains like social status ect. I used AI to enhance my copy with imagery and sensory language. Now, I'm planning to analyse top players in the industry to find more marketing strategies for warm Outreach . - **Yes i used AI to shorten this lol was like 8 lines** 🤖👍
