

Sunday Inclement Weather and Snow Day Procedure **2010-11**

7:00 AM Ross Hopkins (616-893-****) calls Pastor Chuck (269-509-****). Pastor Chuck will make the decision whether or not to cancel Sunday School.

The Sunday School teachers have a "Telephone Tree" to notify everyone by phone. This allows extra time to see what the weather is doing before we cancel services. If the weather continues to worsen or does not improve by 8:00 AM, services will be cancelled.

ROSS WILL THEN DO THE FOLLOWING:

Contact: Pastor Dan 616-723-****

And Pastor Chuck 269-509-****

Ask if they prefer to cancel just services or all activities for the day?

Email Wood 8 at:

<http://snowdesk.woodtv.com>

or call (616) 774-0990

AND Email WCSG at

http:wcs.org/church_admin

Cancel (morning services, Crew, Etc.)

(Ross has full cancellation details for WOOD 8 and WCSG)

WE ARE IN ALLEGAN COUNTY

Then Call Sonny (891-****) and Rob (890-****) to let them know that church has been cancelled.

In the event that we are unable to have Sunday School due to partial power failure or lack of heat on that side of Church, there will be an impromptu time of fellowship and singing in the sanctuary.
