How was Gladiatorpolooza to you?	4.7
What is a change you feel needs to be made to Gladiatorpolooza?	
<ul style="list-style-type: none">- nothing really everything was good- Nothing- I feel no changes need to be made to Gladiatorpolooza, but there needs to be better time management throughout the day.- A change I feel that needs to be changed is not making everyone sit together.- not having a mass before- More time added to gladiatorpolooza so we can properly have the time for different sports teams.- Nothing I think it was good	
What is something you feel needs to be added to Gladiatorpolooza?	
<ul style="list-style-type: none">- everything was nice- More clubs- I feel that all sports no matter the season should be announced.- Something I feel that needs to be added is more Ctk student speakers.- having a band and a lot more activities- Possibly like an option of cotton candy or popcorn after gladiatorpolooza.- I feel like the people who are just on student council and don't really have a big title could do more	
What do you feel was great about Gladiatorpolooza?	
<ul style="list-style-type: none">- the speeches and how everyone were on time for their speeches and performances- Student Council members did their job and we helped each other come out of our shell.- I feel that the event overall went great!- What I feel went great about Gladiatorpolooza was everything I truly had fun.- the energy	

- Everything I feel like it all went according to plan except the timing because the people taking too long like the coaches.
- Talking to the crowd was good
