Sinta 4

The introduction contains an explanation of the research background, the core issue, and the purpose. (Cambria 11)

The research method contains an explanation of the research design, location and time of research.

RESULTS AND DISCUSSION

The results contain the research findings presented in the form of narrative, tables, and/or figures, as well as the results of statistical tests with explanations without discussion. The table title is written above it while the figure title is written below it. (Cambria 11)

Variable	f	%
Variable A		
Xxx	77	36,50
Xxx	134	63,50
Variable B		
Xxx	80	37,91
Xxx	72	34,12
Variable C		
Xxx	14	6,60
Xxx	121	57,30
Xxx	76	36,00

The discussion is not a restatement of the research results but should include a brief statement on the important parts of the research findings, supporting arguments, a discussion of other relevant published research, and the contribution of the findings to the enrichment and development of science and technology for society. (Cambria 11)

The conclusion contains a brief statement of findings in response to the problem formulation and objectives. The recommendations contain suggestions for problem-solving, improvement, and technology referring to the conclusions. (Cambria 11)

ACKNOWLEDGEMENTS

If there are any, if none, then it does not need to be written (Cambria 11)

REFERENCES

References must be written using the MENDELEY APPLICATION, in APA style. A minimum of 15 references is required, with a proportion of 80% coming from research results or articles published in the last 10 years and 20% from other sources such as books and relevant regulations. When citing from a journal, the volume, number, and page along with the DOI link must be included.

Reference sources must be primary sources and not quotes taken from other sources. Example: (Rahtyanti dkk., 2018; Tasri & Tasri, 2020)

Rahtyanti, G. C. S., Hadnyanawati, H., & Wulandari, E. (2018). Hubungan Pengetahuan Kesehatan Gigi dan Mulut dengan Karies Gigi pada Mahasiswa Baru Fakultas Kedokteran Gigi Universitas Jember Tahun Akademik 2016/2017 (Correlation of Oral Health Knowledge with Dental Caries in First Grade Dentistry Students of Jember. *Pustaka Kesehatan*, 6(1), 167. <https://doi.org/10.19184/pk.v6i1.7153>

Tasri, Y. D., & Tasri, E. S. (2020). Improving clinical records: their role in decision-making and healthcare management–COVID-19 perspectives. *International Journal of Healthcare Management*, 13(4), 325–336. <https://doi.org/10.1080/20479700.2020.1803623>
