

Innovation Lab High School PTSA

MISSION STATEMENT

Innovation Lab High School PTSA's purpose is to support Innovation Lab High School and its unique vision of cross disciplinary Mastery skill building and project based learning. We serve the needs and aspirations of our members while promoting the health, welfare, safety and education of youth in the home, school and community. Through positive engagement and advocacy, we work to build and maintain a community of students, families and staff.

GOALS

- Support ILHS Staff & Students -
 - Advocate for school improvements/needs to Northshore School District
 - Promote closer connections between home and school by fostering parent/guardian/adult involvement
 - Coordinate on school wide projects and events
 - Coordinate with the school to offer or make available post-secondary information and education opportunities
- Encourage and promote reliable and clear communication between the school and the ILHS community in regard to:
 - General school information and news
 - ASB events and activities, including clubs and interest groups
 - Mastery learning, the Mastery Learning Record and the performance based graduation pathway
 - Senior events, activities and post secondary information and deadlines
- Support efforts towards marketing the school and attracting future students/families as well as building and improving school image.
- Meet or exceed last year's membership total (188).
