From the main screen Login, view classes, or Contact us

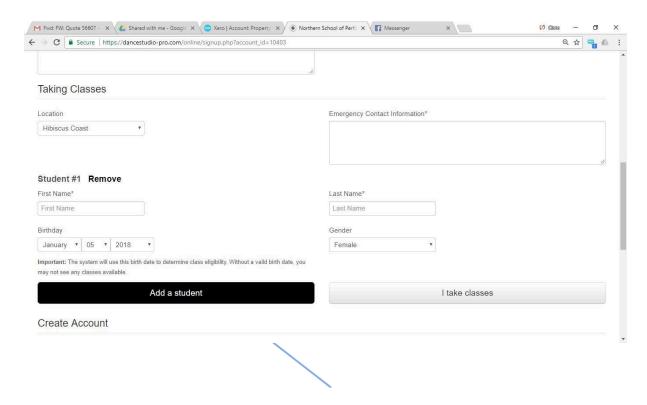

1. To create your account

Click on Create Account on the main screen

Enter personal details then click on "Add a student" if you are a parent or "I take classes" if it is for yourself.

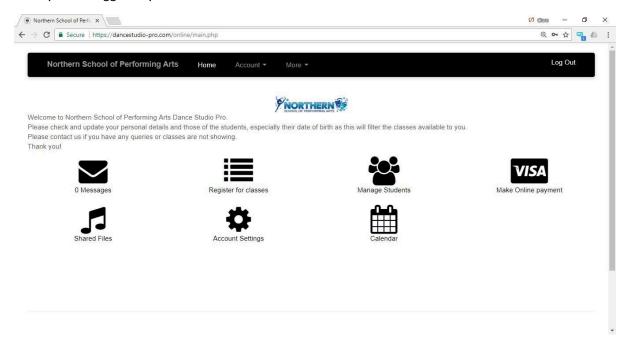

Add student details and please ensure correct date of birth is entered as the system uses it determine class eligibility. Without a valid birth date you may not be able to see any classes available when you come to book.

Click on Add a student again to add more students.

Save account and login.

2. Book classes

Once you are logged in you will see the Home screen.

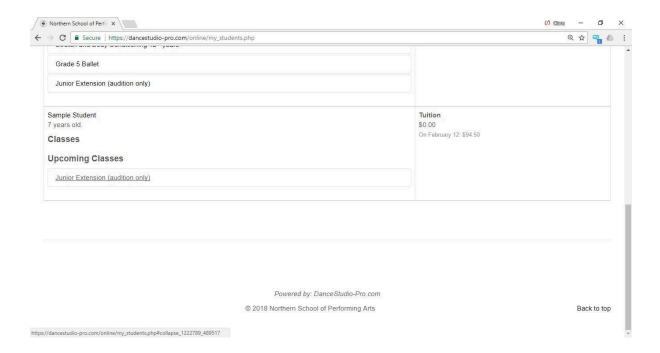

Click on the Register for classes icon and follow the instructions. You can also filter by location here.

If there any classes you cannot see, please contact us by clicking on More and Contact on the dropdown list.

If a class is full there will be an option to Add student to waiting list.

After you have submitted your classes you will be taken into the Payment section. If you would like to pay later, or by Internet Banking instead of credit/debit card, then click on Finish but do not pay. You can then contact us and we will add your fees to your account.

3. Cancel a class

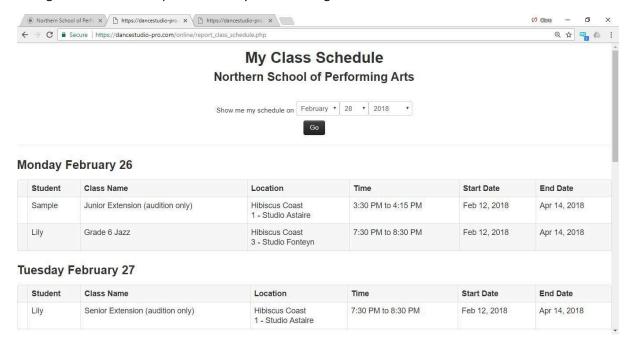

If you have entered an incorrect class or have just changed your mind you can cancel the class by getting in touch with us.

4. See your Weekly Dance Schedule

Click on the Manage students icon.

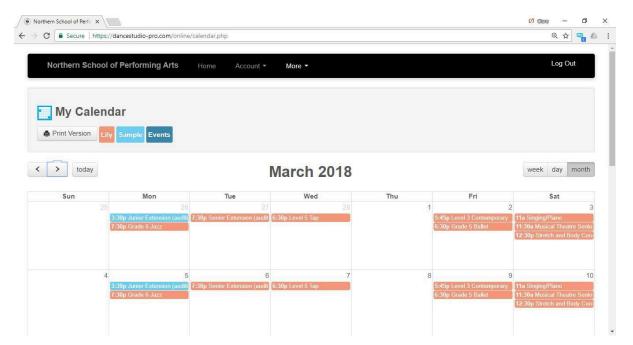

Click on My Weekly Schedule.

Change the date at the top to the week you are looking at.

Scroll down to see the rest of the week.

You can also click on the Calendar icon to see classes and school events on a day, week or monthly basis.

5. Check how much you owe
