

Dual Credit Classes for Technical Schools – Juniors & Seniors

- Registration for Fall semester is opening on November 1st.
Spring Semester runs from January 9th- May 5th
- Enrollment is limited to three courses (9 credits) per semester. First time students are limited to one (3 credits).
- Cost for tuition, books and supplies is student's responsibility. Tuition is \$48.33/credit
- It is required by the SD Board of Regents (SDBOR) that student's scores will be recorded on both their high school and college transcripts.

Take note – The SDBOR has a policy: **Students are limited to 6 withdrawals during their collegiate career. To be specific this would be receiving a W for withdrawal rather than a D for Drop. A drop occurs in the time period for a 100% refund and a withdrawal occurs outside of that time frame.** I recommend students only take Dual Credit classes if they are prepared to work at the collegiate level and have their academic goal set for an A or B. Students do not want to begin their college career with anything less than a 3.0 college GPA.

Eligibility Requirements

1. **Approval of parent, high school principal and counselor.**
Based on GPA, attendance and academic goal.

A. Begin Registration

1. **All students must meet with the high school counselor to confirm eligibility and course selection.**
*****Deadline to meet with Mr. Breske – December 16th – NO EXCEPTIONS**
2. Students will receive an Approval Form to be signed by student and parent in order to complete the registration process.
3. Sign DC Agreement Form located here: <https://tinyurl.com/5n9b9zv6>
4. **Return Approval Form & DC Agreement Form to Mr. Breske – Deadline December 16th – NO EXCEPTIONS**

B. Students Complete Registration

1. After returning approval form to Mr. Breske, he will give students a link to complete registration.
2. After registration, students will receive confirmation email with all info included for taking the course – check your email frequently!
Tip: Do not wait to order books – you will want your books in hand for the first day of semester!
3. Billing information will be sent from the Tech school to your email at the beginning of the semester about how and when to pay your bill online.
