

**SI**; after today..

**Pv**; the opportunity is gone

Hey %firstname%

I have **good** and **bad** news for you today.

The good news is...

For the first time in a while.

You can now join my team of elite executives,

Coaches and consultants to learn how they're;

- Landing clients,
- Creating additional income streams,
- And building businesses around what they already know....

At the 10x **Business Coach Webinar**.

Inside you'll discover how;

- AI can help you become a business owner, even with limited capital starting today.

- Our top 20 coaches make **\$4.2M** part time.
- More people are making more money through our 10x business opportunity and how you can do the same.
- You can build a recognizable brand with or without a big following just like Grant Cardone did with 10x brand.

That's the good news.

Now the **bad** news is...

After this event there'll be no:

- Replays
- Second invite
- Or "I'll catch the next one"

There is no next one.

The right moment is right now.

So %firstname%,

Whether you're already coaching or just exploring what's possible,

You'll leave with a much clearer picture of what it actually takes to build a coaching business.
