

OPTION ENROLLMENT ADMISSION POLICY

It shall be the policy of the Minatare Public Schools to deny option enrollment admission to any special needs student who receives services from this district pursuant to a contract with his or her resident district.

It shall be the policy of the Minatare Public Schools to deny option enrollment admissions to any student seeking enrollment after the first semester of the current school year. It shall also be the policy to deny enrollment to any student from a resident district who has exceedingly poor attendance or who has a record of poor behavior and is nearing expulsion hearings and procedures of the resident district.

Students who have need of regular education will be considered for option enrollment providing a maximum class size of 35 students has not been reached. In the event the number of applications received by this district would result in capacity of any programs, class, or building being exceeded applications will be considered in the order in which they were received with the exception that applicants who have siblings attending the Minatare Public Schools shall receive a priority status. The Board shall not be obligated to grant an application once capacity has been reached in any program, class, or building.

Nothing in this statement shall be construed to vest any right to any school-provided transportation and any transportation which is provided may be discontinued upon two weeks written notice to the parent or guardian of an option enrollment student for any reason or no reason at all.
