This document provides instructions on the format to be used when submitting an abstract to the 7th Asian Society of Ichthyologists 2024 (ASIIC 2024), Penang, Malaysia. The abstract should be in Microsoft Word A4 format, Times New Roman, single-spaced, with all margins set to 2.54 cm. The abstract should not be longer than 250 words. The font size should be 12 point and justified. No graphs/tables/images are allowed. The title should be 14 point, appear at the top, centered, and in bold. The authors' names should be 12 point, appear below the title, bold, and centered. The author's name should be formatted as a first name, middle initial (if applicable), and last name. A superscript numeral should be used to indicate the author's organization, and an asterisk should be used to indicate the corresponding author. The superscript numeral should be followed by the address for each separate organization. Next, an email address for the corresponding author should be provided for communication. The font size for this section should be 10 point.
