[sophiebcdermaux@gmail.com](mailto:sophiebcdermaux@gmail.com) 07768629258

*Positive and hardworking tri-lingual Le Wagon graduate looking for an engaging back-end role. As a board member of girls-in-tech group DevelopHer and with a passion for technology, I am looking for a full-time position in a start-up where I will get the opportunity to make business impact and learn on a daily basis*

**Le Wagon** - Full Stack Web Development course, London

Intensive coding bootcamp learning and Ruby on Rails, HTML5, CSS/Sass, Bootstrap, JavaScript, jQuery, SQL, PostgreSQL, MVC architecture, OOP, git, GitHub, and Heroku

## **Projects**

*Devour Food Tours* - The project consisted of creating a platform for tourists who are looking for unique food tours when they go abroad whilst letting users set up their own food tours in their city. Utilising the following languages: JavaScript, Ruby on Rails, Ajax, HTML and CSS whilst also working as a team on Github/Heroku

*Larder* – The project consisted of creating a platform that aggregates recipes with only up to five ingredients to reduce food wastage. Utilising the following languages: JavaScript, Ruby on Rails, Ajax, HTML and CSS whilst also working as a team on Github/Heroku

## **Relevant professional experience**

### **Mint Digital**

Back-end Software Developer

February – March 2018 (role ended due to company closure)

Contributed to project with [Workman Publishing](#) developing an image asset manager using Ruby on Rails and moved the tests from Minitest to RSpec.

### **MoneyBox**

QA and testing internship

January – February 2018

Interned at the FinTech start-up to gain an insight into Agile software development and QA/testing processes. The role consists of testing across Android, iOS and back-end. Utilising MySQL on a daily basis and tools such as HipTest, JIRA, Zepelin, Sketch and Confluence

### **Hotwire PR**

Senior Account Executive

Sept 2014 – Sept 2017

Worked across consumer tech and financial technologies, responsibilities included media relations, client liaison and account management. Clients included Shazam, WorldRemit, McAfee, Explore Travel Group and Thales e-Security

## **Additional relevant internships and summer roles**

### **Channel 4**

Online Intern

June 2013

Developed content for the Channel 4od app and gained experience maintaining social media channels in particular Channel 4's Pinterest style 'Scrapbook'

### **London Olympics & Paralympics 2012**

Media centre manager

July – August 2012

Responsible for overseeing and maintaining the media centre for the duration of the games. Managed the administration and staff rotation of 20 people, dealt with incoming calls and organised press trips for the journalists

## **Education**

### **IE Business School, Madrid**

Master in Corporate Communication 2014

### **University of Leeds**

BA (International) Art & Design 2009 -2013

## **Skills & interests**

### **Volunteering:**

Board member of girls-in-tech group DevelopHer and Age UK volunteer

### **Language Skills:**

Bilingual in English and French with professional proficiency in Spanish
