Collecting and Using Your Personal Data

Types of Data Collected

Personal Data

While using Our Service, We may ask You to provide Us with certain personally identifiable information that can be used to contact or identify You. Personally identifiable information may include, but is not limited to:

- ***Usage Data***

Usage Data

Data on usage is gathered automatically during the use of the Service. This may consist of details such as the Internet Protocol address of Your device (e.g. IP address), browser type, browser version, the pages of our Service that You view, the date and time of Your visit, the duration of time spent on those pages, distinctive device identifiers, and other diagnostic information.

If You access the Service using a mobile device, certain information may be gathered automatically, including, but not limited to, the model of mobile device You utilize, Your unique mobile device ID, the IP address of Your mobile device, Your mobile operating system, the type of mobile Internet browser You use, distinctive device identifiers, and other diagnostic data.

Furthermore, We may collect details that Your browser transmits whenever You visit our Service or access the Service using a mobile device.

Retention of Your Personal Data

The Company will retain Your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use Your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve

disputes, and enforce our legal agreements and policies.

The Company may store Usage Data for internal analysis purposes. Generally, this data is retained for a limited period unless it is required to strengthen security, enhance Service functionality, or comply with legal obligations that mandate longer retention.

Transfer of Your Personal Data

Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.

Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.

The Company will implement all reasonable measures to ensure that your data is handled securely and in line with this Privacy Policy. Additionally, no transfer of your Personal Data to any organization or country will occur without sufficient safeguards in place to protect the security of your data and other personal information.

Disclosure of Your Personal Data

Business Transactions

If the Company is involved in a merger, acquisition or asset sale, Your Personal Data may be transferred. We will provide notice before Your Personal Data is transferred and becomes subject to a different Privacy Policy.

Law enforcement

Under certain circumstances, the Company may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Other legal requirements

The Company may disclose Your Personal Data in the good faith belief that such action is necessary to:

- ***Comply with a legal obligation***
- ***Protect and defend the rights or property of the Company***
- ***Prevent or investigate possible wrongdoing in connection with the Service***
- ***Protect the personal safety of Users of the Service or the public***
- ***Protect against legal liability***

Security of Your Personal Data

Your Personal Data security is a priority for Us. However, please keep in mind that no method of transmission over the Internet or electronic storage is completely secure. Although We make every effort to employ commercially reasonable measures to

safeguard Your Personal Data, We cannot assure its absolute security.

Children's Privacy

Our Service does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from anyone under the age of 13. If You are a parent or guardian and You are aware that Your child has provided Us with Personal Data, please contact Us. If We become aware that We have collected Personal Data from anyone under the age of 13 without verification of parental consent, We take steps to remove that information from Our servers.

If consent is required as the legal basis for processing your information, and your country mandates parental consent, we may need to obtain your parent's approval before collecting and using your information.

Links to Other Websites

Our Service may include links to external websites not operated by us. If you click on a third-party link, you will be redirected to that site. We highly recommend reviewing the Privacy Policy of each site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.
