Manifesto

Do you wish we lived in a more happy society? Away from tyranny and people controlling our lives. Are you tired of the government knowing everything you do, everywhere you go, everything you own? If so, welcome to the Arskovia Revolution.

What is the Arskovian Revolution?

The Arskovian Revolution is a revolution with the primary focus of separating from the USA and starting a new country called Arskovia.

What is Arskovia?

Arskovia is a constitutional republic that incorporates some communist beliefs. Arskovia will have its own currency and religion.

How Can One Enter Arskovia?

Anyone can enter as long as they have an entry permit and a passport. An entry permit is gained at a permit office right near the border checkpoint. If you are found to not have the correct papers or any illegal contraband you will be denied entry or even detained.

What is Considered Contraband?

Any form of weapon (gun, knife, pepper spray etc.) food or drinks, blackmail and any thing found to have been used in a crime.

What Will Happen to Criminals?

Criminals will be taken in front of the Council and a trial will commence with due-process. If the criminal is found indeed guilty they will be taken to prison where they will work and learn until they are rehabilitated and then they can enter back into the country. If the criminal is a prisoner because of a war they will go through a re-education camp to integrate into Arskovia.
