rccp
Revista Colombiana de Ciencias Pecuarias

Potential reviewers

To ensure an efficient editorial process, please suggest five potential reviewers that you consider suitable to review the manuscript.

These reviewers must:

* Be outside the research group(s) that generated the manuscript.

* Have a PhD.

* Have published research in the area of the manuscript or in areas closely related to the topic.

* At least one –hopefully two– of the reviewers must work in a different country than the authors.

Please send the information in the following order:

№	*Full Name*	*Institutional Email*	*Field of Expertise*	*Current Institution and Country*
