

LHS Advanced Placement -Student Contract

Meeting -Feb. 8, 2018-FAC-All AP Students

The Advanced Placement Program at Leicester High School is intended to challenge and prepare students for the rigors of college. Advanced Placement classes are assigned a higher weight to the G.P.A. scale, assist students with earning college credit, and strengthen student transcripts during the college admissions process. In order to receive these added academic benefits, it is expected that students will subscribe to the following understandings:

- I agree that the academic rigor and teacher expectations will be higher than that of the Honors level.
- I agree that I must obtain and fully complete the summer assignments which are distributed, in June, by the content teacher(s).
- I agree that I must be self-motivated to study and prepare over and above scheduled course meetings.
- I agree that after school study sessions, guided by teachers, will be available and it is in my best interest to participate.
- I agree that I must **register for and take** the Advanced Placement Exam in the spring of 2019.
- I agree that I must pay online for my exam by **Friday, September 21st 2018** on the school website. Each AP exam is \$94 or if the student qualifies for free or reduced lunch then the fee is \$53 per exam.
All fees are subject to change.
- I agree that I have to attend a pre administration meeting for the AP exam which will be held on Tuesday, April 2nd in the Dining Commons.
- I agree that **I must attend and fully participate** in the Saturday study sessions for ELA, math, and science AP courses.

AP Saturday Study Sessions

<u>ELA</u>		<u>Math</u>		<u>Science</u>	
12-8	Auburn High School	11-17	Baypath	11-3	Auburn High School
