The Team captain of the attacking team will create the server and invite the captain of the opposing team.

Team captains of both teams are responsible for getting their team into the server.

All team leaders must fill out the Valorant Registration Form after registering on YALP to make sure their teams are available to join and host games as required.

Anything disabled in other game modes is prohibited from use in this tournament.

Teams are allowed 2 time-outs per match.

Teams are allowed one coach who must join under the appropriate Attackers/Defenders Coach slot.

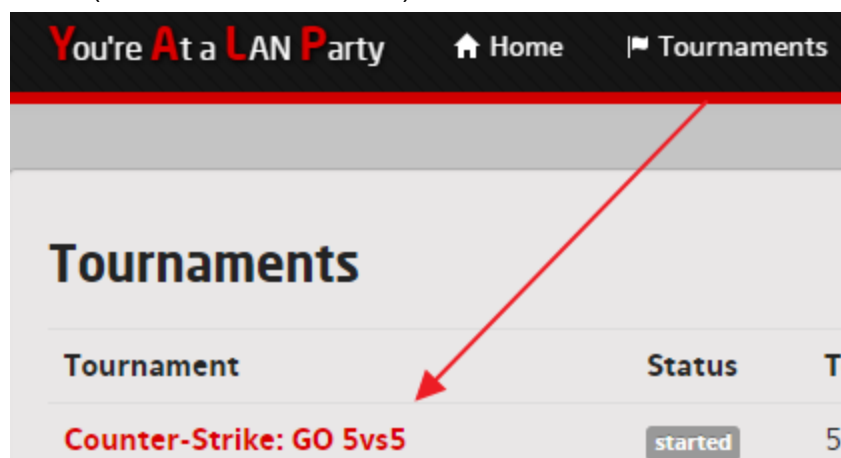

Teams have 5 minutes to enter the server at the start of each round. If a team is not ready to start the server within that timeframe they will forfeit the match. Rounds will start 10 minutes after the last round ends.

Team and player names should not be racist, homophobic, vulgar, sexist, insulting, or offensive. This designation will be up to the admins discretion and you will have one chance to change your in-game name or team name for the event. Future attempts will result in disqualification from the tournament.

Reporting a match -

The team captain of the winning team is responsible for reporting the match.
