Chrome Extension	Rating (# of stars)	# of Users	Last Updated	How I could see myself using this extension...
 Custom Cursor for Chrome™ Offered by: https://custom-cursor.com	4.7	4,000,000+	August 21, 2020	This is great for screen sharing on Zoom or in Google Meet. It allows the students to see the cursor with ease.
 GIPHY for Chrome Offered by: giphy.com	3.5	300,000+	Jan. 14th 2021	My students LOVE Gifs, so adding personal touches of Gifs to my slides presentations, announcements, etc. gets students engaged and excited to learn
 Grammarly for Chrome Offered by: grammarly.com	4.6	10,000,000+ users	January 8, 2021	I can use this to assist me with grammar.
 Kami for Google Chrome™ Offered by: kamihq.com	4.6	10,000,000+	January 21, 2021	I would use this extension for classroom assignments and it works well with google classroom.
 Screencastify - Screen Video Recorder Offered by: https://www.screencastify.com	4	10 million plus	December 18, 2020	I use Screencastify to record and edit my videos for class. You get a five minute

				video recording for free. You can pay to get add-ons like video editing your Meet recordings. The free version allows you to capture your screen or your camera or both.
 SeatMath: Forms-Friendly Equation Editor Offered by: seatmath.com/extensions Converts mathematical equations into LaTeX for Google Forms or anywhere on the web. ★★★★★ 1 Productivity	5 (but only 1 review)	1000+	10/18/20	This is a good way for me to use when giving instruction to the students and also for a way for students to show their work when they submit their assignments (this way they don't have to handwrite it and take a picture to submit their work).
 Smallpdf - Edit, Compress and Convert PDF Offered by: https://smallpdf.com	★★★★★ 2,817	2,000,000	February 9, 2021	I've been using this tool for the last couple weeks and I love it. Easy-to-use PDF tools to Edit, Convert, Merge, Split and Compress PDF files and it is integrated with Gmail.
 Read&Write for Google Chrome™ Offered by: lexiaup.com Boost reading and writing confidence across all types of content and devices. ★★★★★ 5,315 Accessibility	3.4	10,000,000+	Feb. 22, 2021	This reads anything on the page to students with that accommodation. We use this in my school!
 Web Paint Offered by: web-paint.com ★★★★★ 674 Fun 900,000+ users	3.5	900,000+	February 25, 2021	During my economics course I taught, I used this extension to draw on assignments to work through graph problems when teaching virtually. It was a great way to visualize demand/supply shifts.
 Grade Transferer Offered by: www.gradetransferer.com	4.8	90,000+	April 1, 2021	This has been a lifesaver this year!! It transfers grades from lots of different platforms. I use it to take Classroom grades and put them into Infinite Campus. It saves so much time and allows information to be in Classroom, which is

				more useful for students, and IC, which is more useful for me and guardians.
 Momentum Offered by: momentumdash.com	4.4	3,000,000+	June 2nd, 2021	I love the idea of being able to personalize my New Tab page with a to-do list. I love lists and calendars so I feel like this would be an awesome tool for me to use as a list page so that I can see right in front of me what I need to do. I also won't lose my to-do list this way either!
 TubeBuddy Offered by: https://www.tubebuddy.com	4.6 stars	1,000,000 +	June 4, 2021	I have been using this to manage my personal youtube channel. It's super helpful and it saves me more time.
 Clockify Time Tracker Offered by: https://clockify.me	3.9	200,000+	June 3, 2021	This could be a great time-management tool for students balancing hybrid learning or working completely from home. For example, they could set a tracker for 30 minutes for their reading log, followed by a five minute 'break' timer, followed by 30 minutes to work on their science assignment.
 VideoMirror Offered by: Steven Kemp	4.5	200,000+	March 22, 2021	I use it to flip the image when I connect the document camera to a google meet.
 Loom for Chrome Offered by: loom.com	Almost 5	4,000,000+	June 22, 2021	I used this so much last year. I could quickly record a How To video for my students with my screen or I could record an entire virtual lesson. It's so great.
 Todoist for Chrome Offered by: https://todoist.com	4.7 of 5	700,000+	April 19, 2021	I am a list maker but also a list forgetter and then a list remaker. This extension will cut out the amount of time and paper I

				use making list.
 MathHook Offered by: dev	5	679 users	January 24, 2020	This tool will be good for students and teachers that may not have the latest calculators
 Text to speech that brings productivity Offered by: https://intelligent-speaker.com	3.9	60,000+ users	April 9, 2021	I can see myself using this extension to differentiate learning for students to convert files into speech.
 Picture-in-Picture Extension (by Google) Offered by: google.com	4.1	1,000,000+	January 18, 2021	Since my students watch a lot of instructional videos and are often clicking between windows or utilizing a split screen, this PiP extension would allow them to watch while working and not have to click back and forth.
 ImTranslator: Translator, Dictionary, TTS Offered by: about.imtranslator.net	4.4 stars	800,000 +	June 29, 2021	I would hope that this would help with all the questions I get about how to spell words. Who knows truly if it would help with the questions.
 Mindful Break Offered by: google.com	4.3	7/18/2017	30,000+	Useful for both students and teachers or anyone subject to extensive online screentime. This app extension gives you a mindfulness tip and guides you through a short breathing exercise. Set reminders to help you remember. Users have the option to go full-screen to help one stay focused.
 Britannica Insights Offered by: https://www.britannica.com	4.1 (ish)	60,000+	January 22, 2021	I use this extension to get quick info when planning curriculum or answering student questions. I want to start having students install it so they have a reliable source

				that pops up when they Google Search, rather than going to the first (potentially unreliable) result.
 Hippo Video - No#1 Webcam Offered by: https://www.hippovideo.io	4	100,000+	7/12/21	Create better looking screencasts for flipped learning; train students to use as part of formative and summative assessments
 Extensity Offered by: sergiokas.github.com/Extensity	4.8 out of 5	200,000+ Users	November 18, 2020	This extension makes it easier to organize all the extensions on my bookmarks bar. They're organized by their own folder and leaves more room for my peace of mind.
 OpenDyslexic for Chrome Offered by: ablecod.es	4 / 5	Not listed	June 27, 2021	This extension will change the font of websites to be more accessible for students and people with dyslexia.
 Read&Write for Google Chrome™ Offered by: texthelp.com	3.5 stars	Over 10 million	September 9, 2021	I currently have EL and SPED students with reading and writing accommodations download this extension. It allows the computer to read any text to them on google chrome they can also use their voice to write in a response on any google document.
 Bitmoji Offered by: bitmoji.com	3.9	4,000,000+ users	October 21, 2021	Create a fun character to add to presentations. I have a bitmoji that I add to presentations, emails, Google classroom reminders and even have a digital classroom designed in slides where students see the classroom but in digital form and can click on various things like the phone on my desk and it brings up my phone number, my computer brings up my email, the radio brings up

				our classroom playlist on youtube. I put my bitmoji into it that they can also click on and on the first week of school they create a bitmoji locker to introduce themselves
 Mercury Reader Offered by: https://www.postlight.com	4.0	500,000+	May 12, 2021	I like this for getting rid of ads on websites/articles. I just used this to print an article about progress monitoring for a professional development training I am providing.
 Annotate: Web Annotations with Screen Sharing Offered by: annotate.net ★★★★★ 282 Productivity 100,000+ users Works with Google Drive	4.7	100,000+	March 7, 2022	I am usually frustrated with my smartboard as I mark up a document or website and then scroll and everything is a mess. Annotate sounds like a way to help that and also a way that may help to create a record of our notes and discussions for students to access in the future!
 Confetti Cannon! Featured ★★★★★ 11 Fun 50,000+ users	4.5	50,000+	11/17/2020	Celebrate when working with students on smartboard/projection of computer! So fun!
