

Privacy Policy

Last updated: 2026-04-30

Daymio ("the App") is a habit tracking application.

1. Data Collection

The App is designed to work primarily with data stored locally on your device.

We do not collect or store your personal data on our own servers.

However, the App uses third-party services for subscription management.

2. Third-Party Services

The App uses RevenueCat to manage in-app purchases and subscriptions.

RevenueCat may collect certain information, such as:

- Device identifiers
- Purchase information
- Subscription status

This data is used solely to provide and manage subscription features.

For more information, please review:

<https://www.revenuecat.com/privacy>

3. Data Usage

Collected data is used only for:

- Providing subscription functionality
- Enabling purchase and restore flows

We do not sell your data.

4. Data Sharing

We do not share your data with third parties except as required for:

- Subscription services (RevenueCat)
- Payment processing (Google Play)

5. Data Security

All data transmitted via third-party services is encrypted.

6. Children's Privacy

The App is not intended for children under 13.

7. Changes

We may update this policy from time to time.
