The mailing list of the LANGUAGE seminar is below.

Update (January 2017): it was agreed with IJN that all announcements will be cc'ed to the IJN list. Hence we include in the overt cc' field:

"lscp-language@ens.fr" <lscp-language@ens.fr>,
institutnicod-interne@ens.fr

Template to announce the LANGUAGE Seminar (**add in bcc' the speaker if he/she is not on the regular list**)

Lucie: je propose que, lorsque nous invitons nous-mêmes quelqu'un pour le Colloquium DEC (ou d'autres événements), nous fassions systématiquement suivre l'annonce reçue à la liste LANGUAGE, précédée de:

[Apologies for multiple postings!]

[quand il s'agit d'annonces du Colloquium DEC, nous pouvons omettre de la liste LANGUAGE l'adresse lscp-language, car ses membres reçoivent les annonces DEC].

Please find below the announcement of next week's LINGUAE Seminar.

Please find below the announcement of next Thursday's LINGUAE Seminar.

If you send it Monday:

Please find below the announcement of this week's LINGUAE Seminar.

Please find below the announcement of this Thursday's LINGUAE Seminar.

If you want to mix it up a bit, you could also say something like this:

The LANGUAGE Seminar series will continue {this/next} week with a talk by [name] ([affiliation]). Details are below.

Current list for LINGUAE Seminar

-Philippe has highlighted in yellow names that could be KEPT on the seminar list.

-I would be in favor of systematically adding names of current MA students that are included below. We might need to check!

-When names are missing, they should be added if possible

Benjamin and Emmanuel: can you highlight names you would like to include as well? I would suggest using a color code so we know who is responsible for what.

Don't hesitate to add comments when you disagree with my suggestions, as I might have erred.
