

The City of Boston Presents:

Thursday, October 23, 2025 | 12:00 - 6:00pm

Artists for Humanity at 100 W 2ND Street, Boston MA 02127

BERDO Fest will bring together different stakeholders driving building decarbonization across Boston. It will serve as a central hub for [BERDO](#) building owners and property managers to meet and build connections with experts and professionals across the building decarbonization ecosystem. We will feature a vendor fair, panel discussions, and a spotlight series highlighting successful decarbonization projects leading the way in the city.

For the most up to date information including event partners, panelists, and vendors can be found on the BERDO event website at boston.gov/berdo-fest.
