China Unit Google Slides

For this group project you are asked to show your knowledge of ancient China through Google Slides. Using your reading notes, the textbook, guided notes, and any additional web based research provide information on ancient China.

Each slide must include:
- A Title
- One or more Images
- Text describing the key information (bullet points not paragraphs)

Required topics for each group:
- **Ch 19: Geography** (min. 7 slides)
  - Tibet-Qinghai Plateau
  - Northwestern Deserts
  - Northeastern Plain
  - North China Plain
  - Middle and Lower Chang Jiang Basins
  - Difference Between Inner and Outer China
- **Ch 20: The Shang Dynasty** (min. 7 slides)
  - Government
  - Social Structure
  - Religion
  - Writing
  - Technology
  - Art

- **Ch 21: Chinese Philosophies** (min. 4 slides)
  - Confucianism
  - Daoism
  - Legalism
- **Ch 22: Qin Dynasty** (min. 4 slides)
  - Standardizing culture
  - Protecting borders
  - Ending opposition
- **Ch 23: Han Dynasty** (min. 7 slides)
  - Warfare
  - Government
  - Agriculture
  - Industry
  - Art
  - Medicine
  - Science
- **Ch 24: The Silk Road** (min. 4 slides)
  - The Western Silk Road
  - The Eastern Silk Road
  - Cultural Exchanges

What and how to turn in:
- You will turn in **Google Slides** electronically using Google Classroom
- Each individual will complete a **Personal Reflection/Evaluation** and turn in on Google Classroom.

Grading
- This will be in the assessment category and be worth 40 points.
- Your grade will be determined by your work in these three areas:
    1. **Slides (30 points)**
        a. Providing insightful information about the content. (chapters)
        b. Each slide has the required components (title, image, and key information)
        c. Slides are readable and are free of grammatical errors.
    2. **Personal Reflection/Evaluation (10 points)**
        a. An honest reflection on what you learned, what you did well, and what you could do better. (attached in classroom)
