Dear MTSD Parents/Guardians and Staff,

I am writing to provide you information about the 2022-2023 New Jersey School Performance Reports, which were recently released and are available on the NJ School Performance Reports webpage at www.njschooldata.org.

~ Mansfield Township Elementary School ranked 3rd in the county and 2nd in the county for elementary schools.

This is a huge accomplishment for our staff & students!

Click [HERE](#) to view the county report and type Burlington into the search bar.~

The School Performance Reports reflect the New Jersey Department of Education's (NJDOE) commitment to providing parents, students, and school communities with a large variety of information about each school and district. These reports can be used as a tool to help evaluate whether all students have equitable access to high quality education.

The 2022-2023 School Performance Reports include all data that was previously reported prior to the COVID-19 pandemic, which includes all assessment, student growth, and accountability data.

The NJDOE believes that it is critical to use the data in the reports, along with other information collected directly within districts and communities, to start conversations, identify gaps in information, and continue to find ways to ensure all students receive the support and resources that they need. As data over the last three years was impacted by the pandemic in various ways, the NJDOE does recommend caution in comparing data from year to year.

Should you have any further questions, please do not hesitate to contact me.

Thank you,

Sincerely,
Tiffany J. Moutis
