This is a site used by many that aren't in a Spanish course to learn Spanish.

1. What are some words you were able to pull out from just looking at the Spanish reading?
2. What were some words you didn't know?
3. As you listened to this audio what was challenging? Why?
4. As you listened to the audio what words were you able to catch?
5. After this activity what is a strategy or tip or something that you can do that will help make you a better listener in Spanish?
6. After this video what are personal goals you have?
