

Year 11 Journey to DIT Exams
Student and Parent Journey 2025

Subject: DIT	Exam board: Pearson Date of Exams: Component 3 exam: 1st May 2025 PM
---------------------	---

Use the box below to reflect and target your weaknesses. Set yourself realistic goals and talk to your support network, both at home and in school, to help you identify what is important. Repeat the process for every subject you take.

What would I like to achieve?	What are my weaknesses?	What are my strengths?

Your teacher has completed what you will be covering in each week, leading up to the exams. Try and match the revision to the topics you are studying so that you ensure you have covered the whole course. Make a note of the date and time of any intervention sessions you have scheduled with your teacher.

If you are invited to attend catch up sessions in the school holidays, please make a note of the date and time you will be attending.

Week commencing	Lesson/Exam coverage	Interventions booked	Revision I can do
10th Feb (3 lessons)	Net Neutrality and Ethical use		User policies and levels of access
24 February (2 lessons)	AUPs and Security settings		Advantages and disadvantages of cloud storage / computing
