

# HOW TO INSTALL OPUS IPTV PLAYER ON FIRE STICK

## -Install “Downloader App” on FireStick

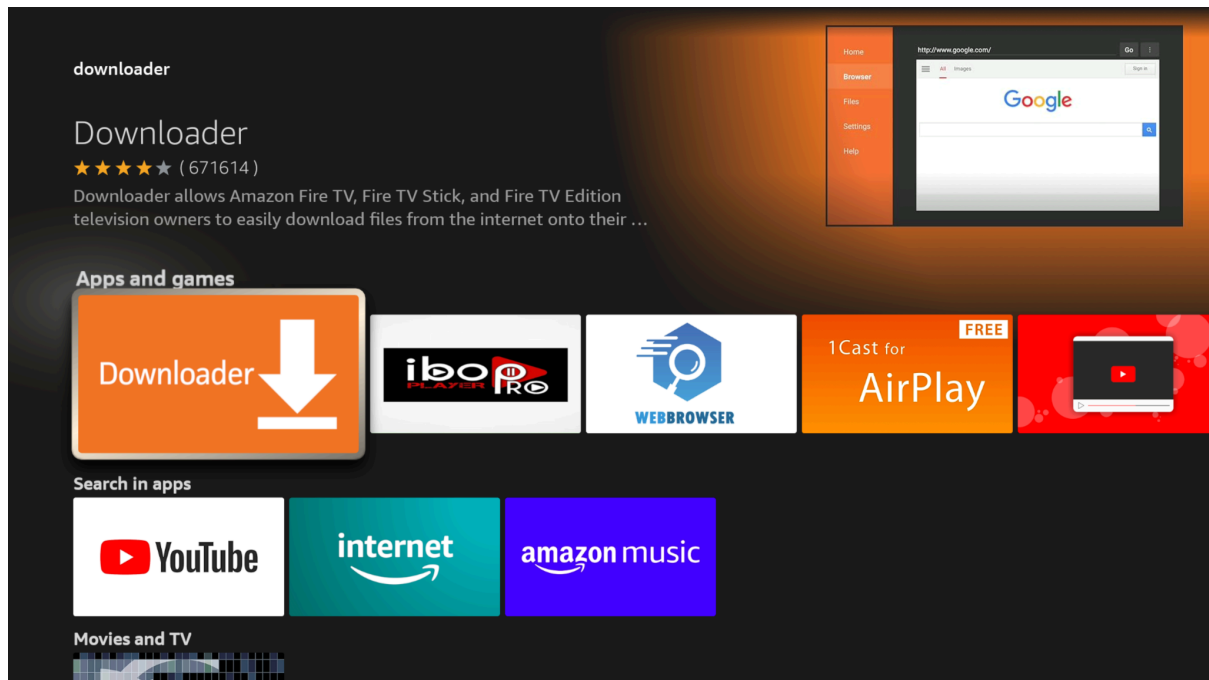

1-Go to the Fire TV / Stick home screen if you are not already there. Use your remote to navigate to **Find > Search** on the menu bar in the middle of the screen.

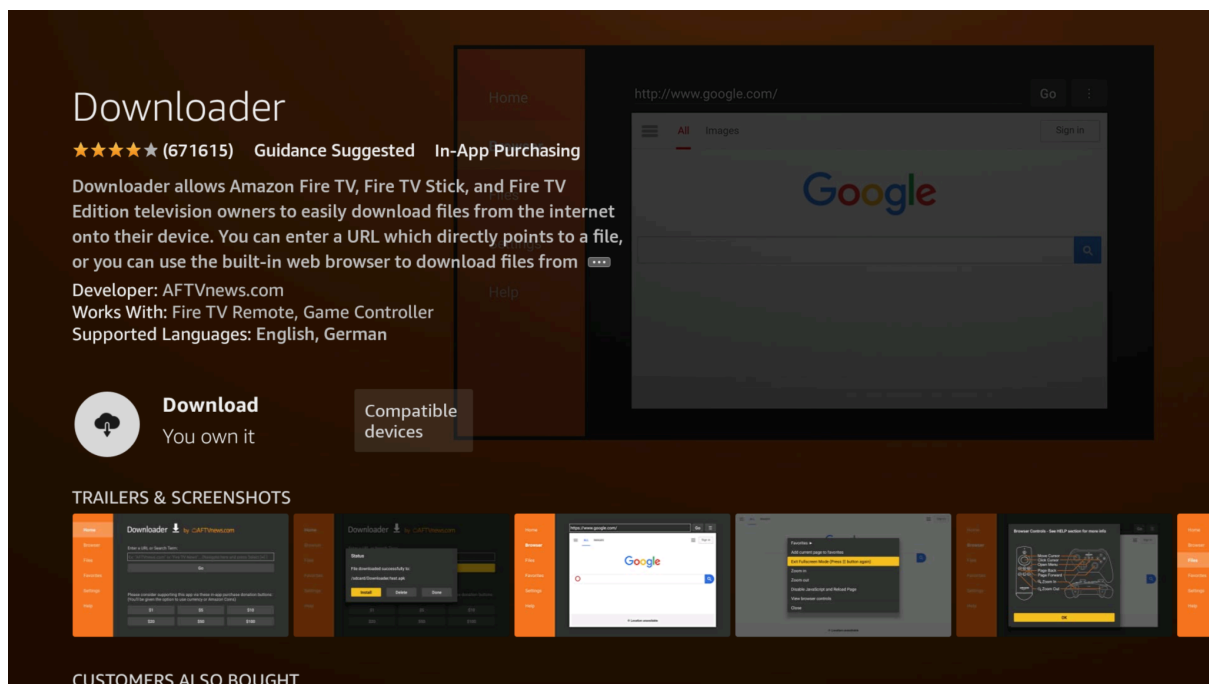

2- Now type in **Downloader** using the onscreen keypad. You should see the app suggestions on the list as you begin typing. When you see **Downloader** on the list, select and click it.

3-You should now see **Downloader** under the **APPS & GAMES** section. Go ahead and **click it**.

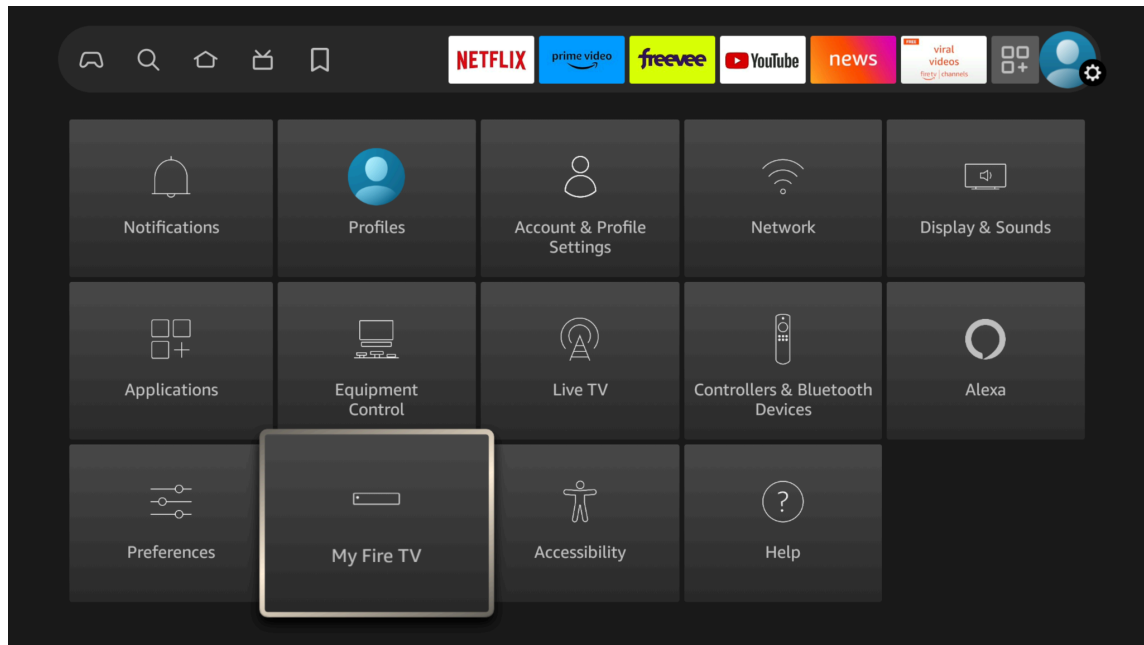

4-Click the '**Get**' or '**Download**' button to download and install the app. You should have the app in no more than a couple of minutes.

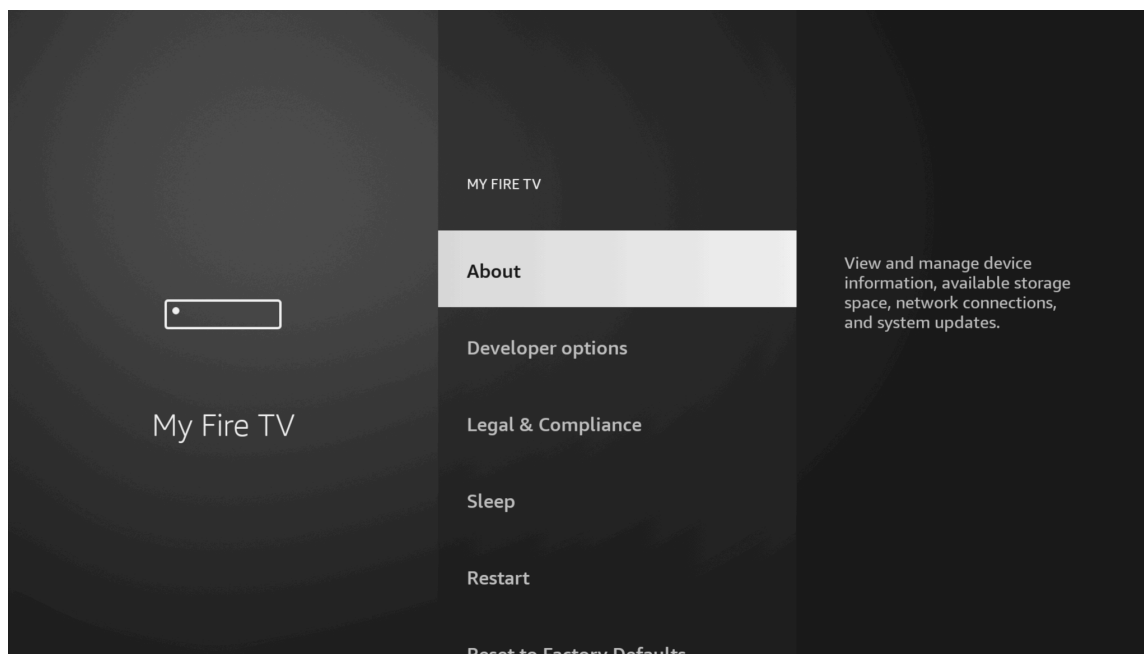

## -Get Developer Options on Firestick

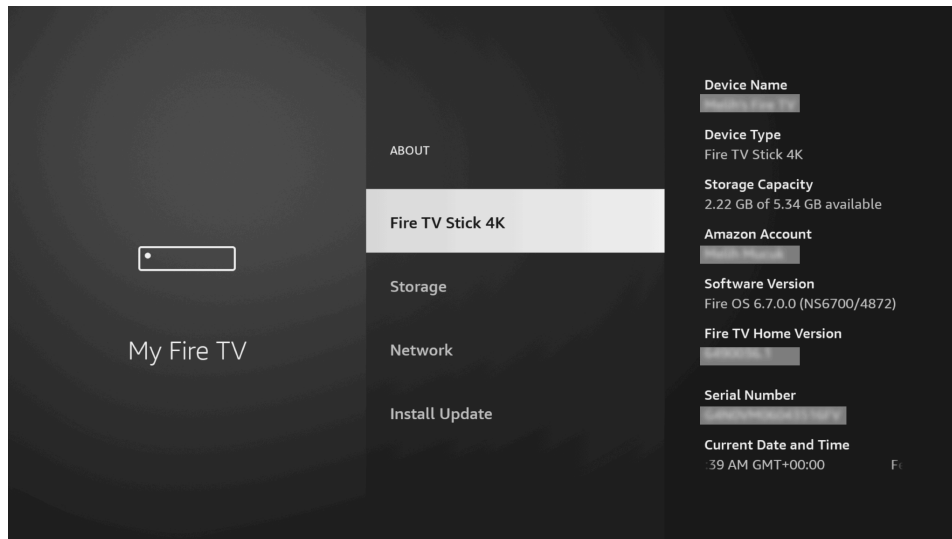

1. Launch your FireStick home screen and navigate to the Settings icon. Scroll down to the **My Fire TV** tile and click on it.

2. Click **About** (only if you **DO NOT** see Developer Options on this screen).

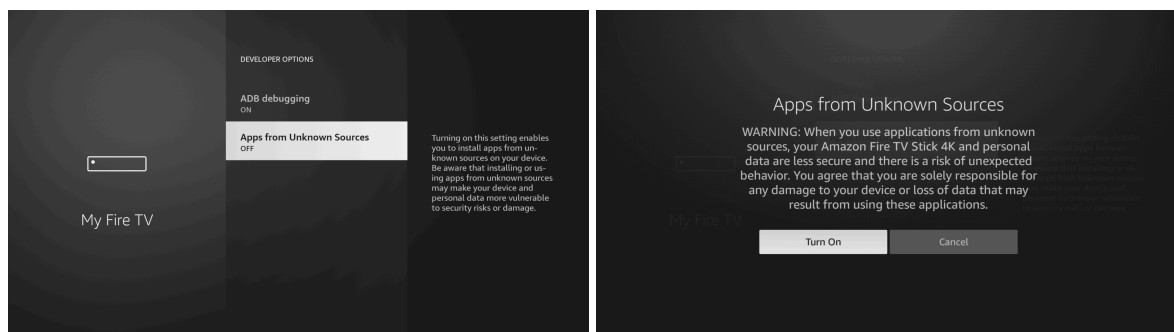

3. Click on your **Fire TV Stick** quickly 7 times.

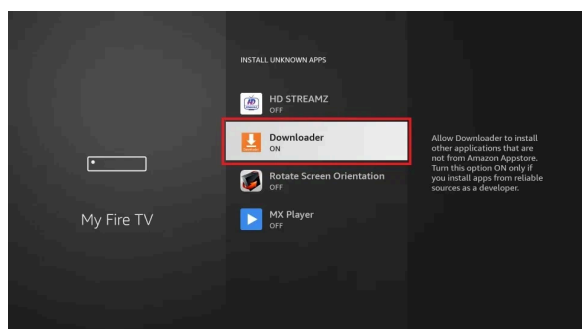

4. You will see a notification at the bottom saying **No need, you are already a developer.** That's it, you have enabled Developer Options.

### 5. Select **Apps from Unknown Sources**

**Note:** Some versions of FireStick may have the option **Install Unknown Apps** instead of **Apps from Unknown Sources**. If you don't see **Install Unknown Apps** skip step 6.

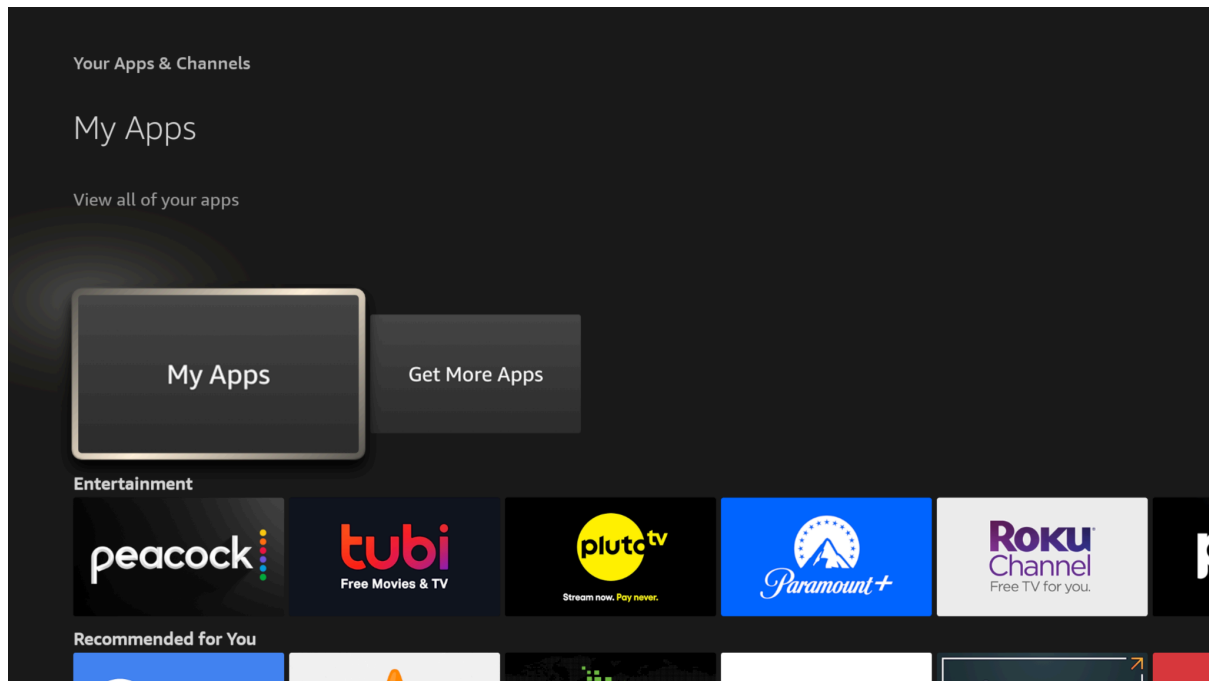

6. Navigate to **Downloader** and select it to turn it **ON**. (Skip if you Turn On **Apps from Unknown Sources**)

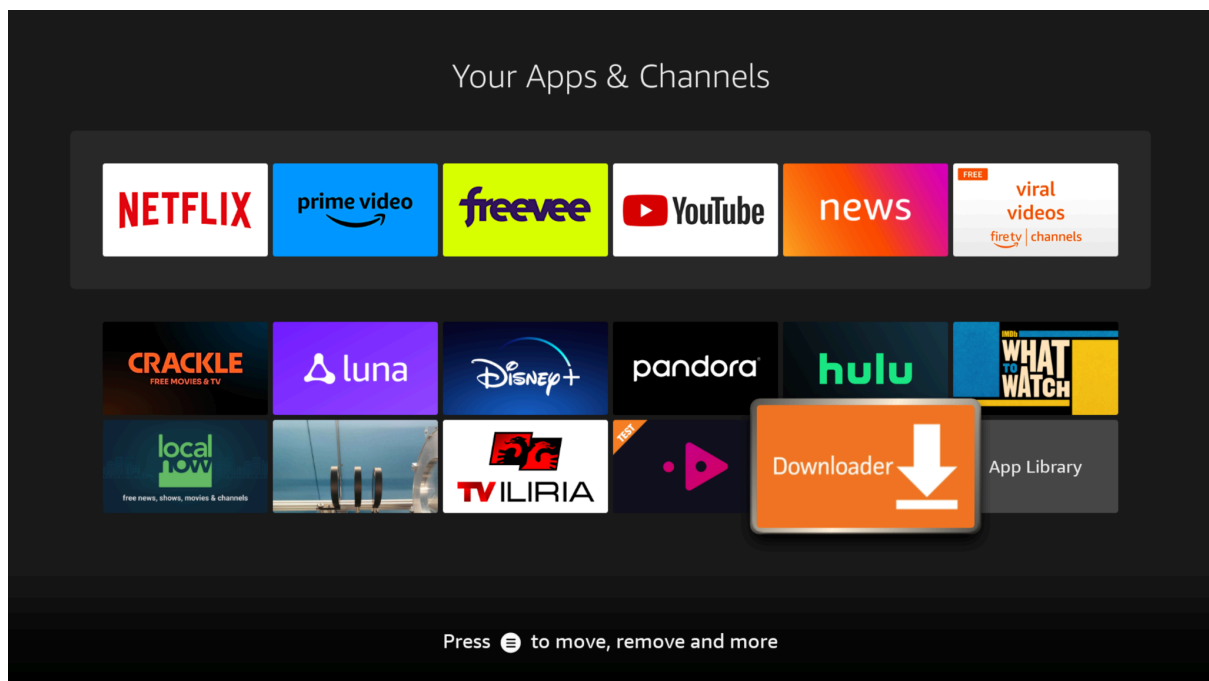

## -Opening Downloader App

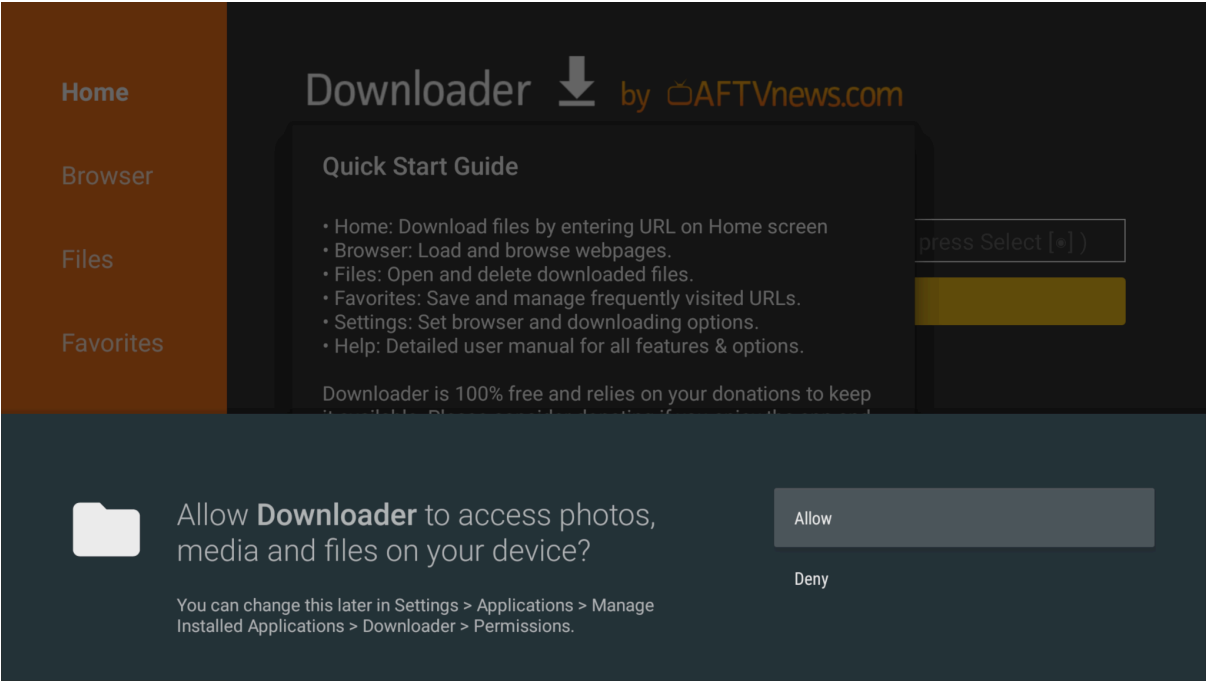

1. Select the app icon on the home screen in the menu bar in the middle then select **My Apps**.

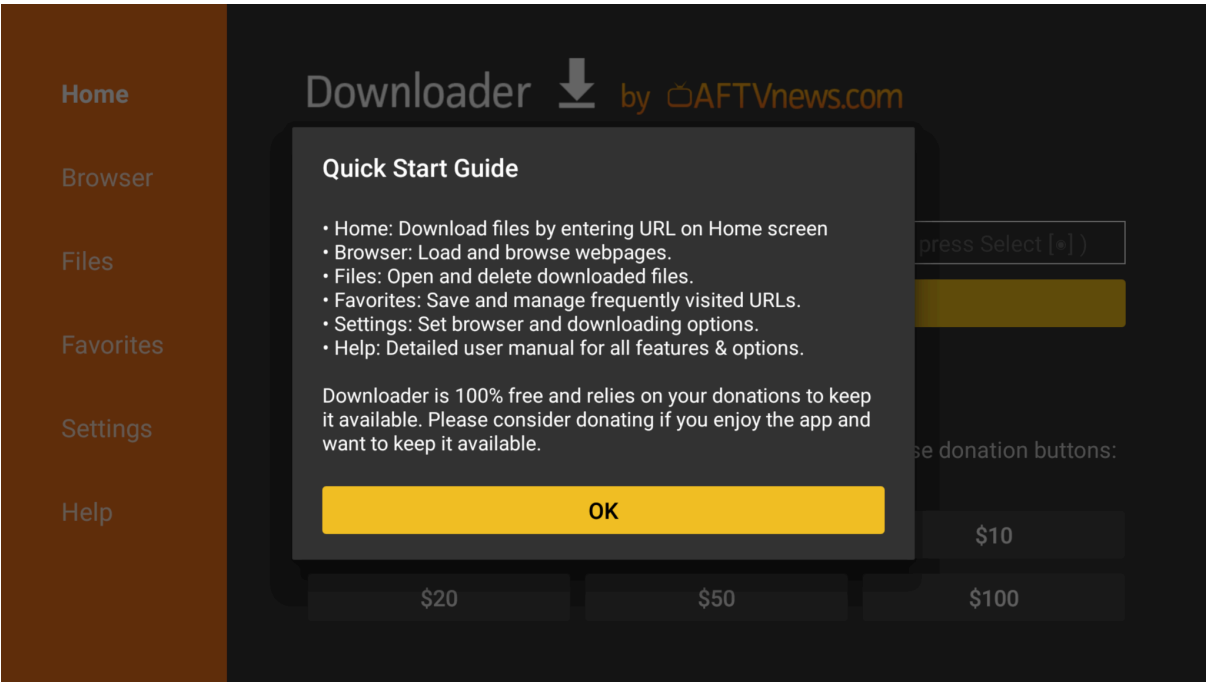

2. Scroll down to the **Downloader App** and open it.

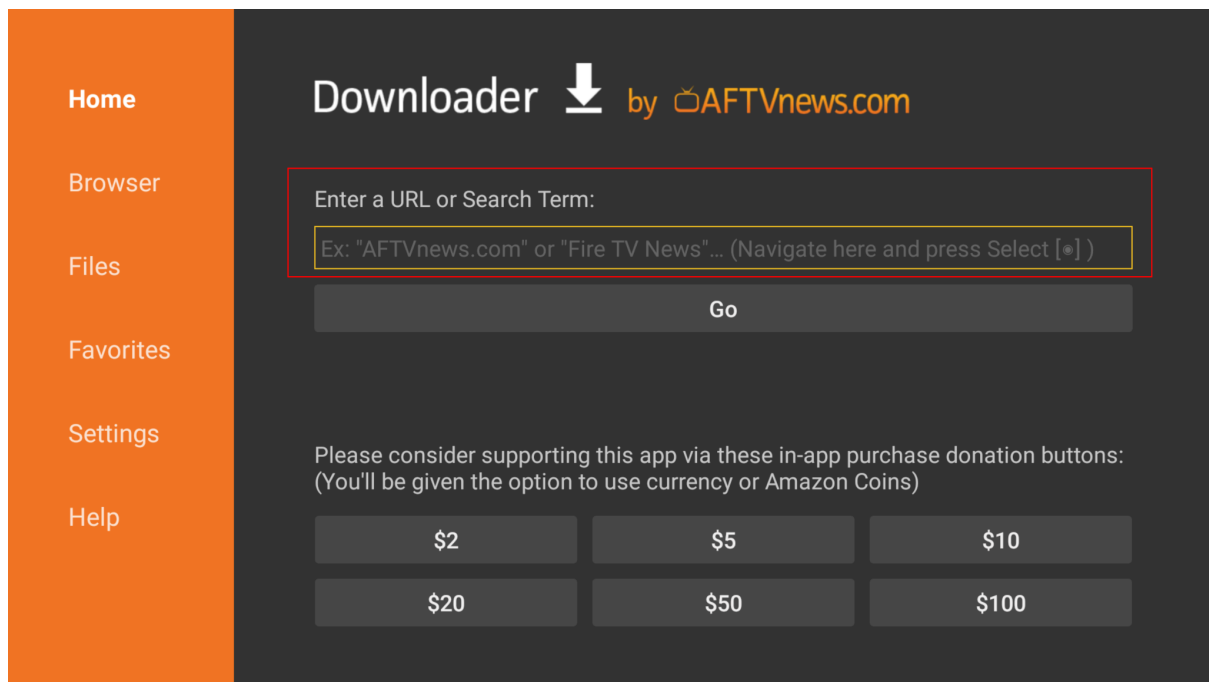

3. When you open the app for the first time, click **Allow** to grant permission.

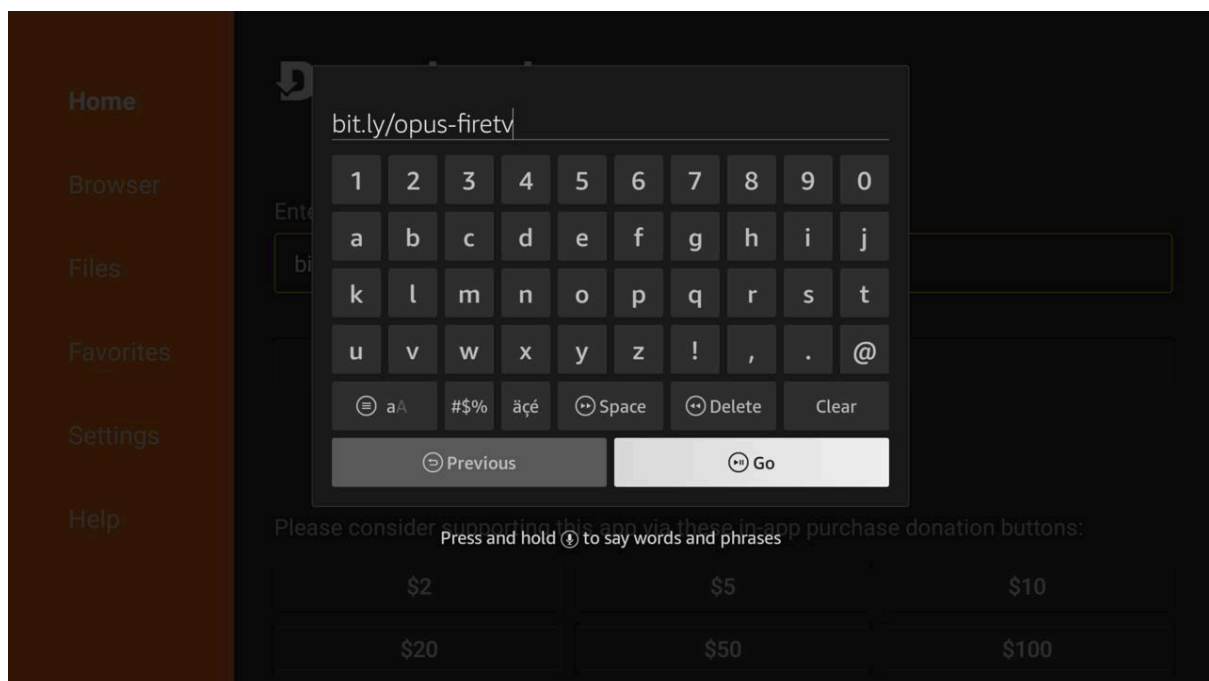

4. Click **OK** on this Quick Start Guide prompt.

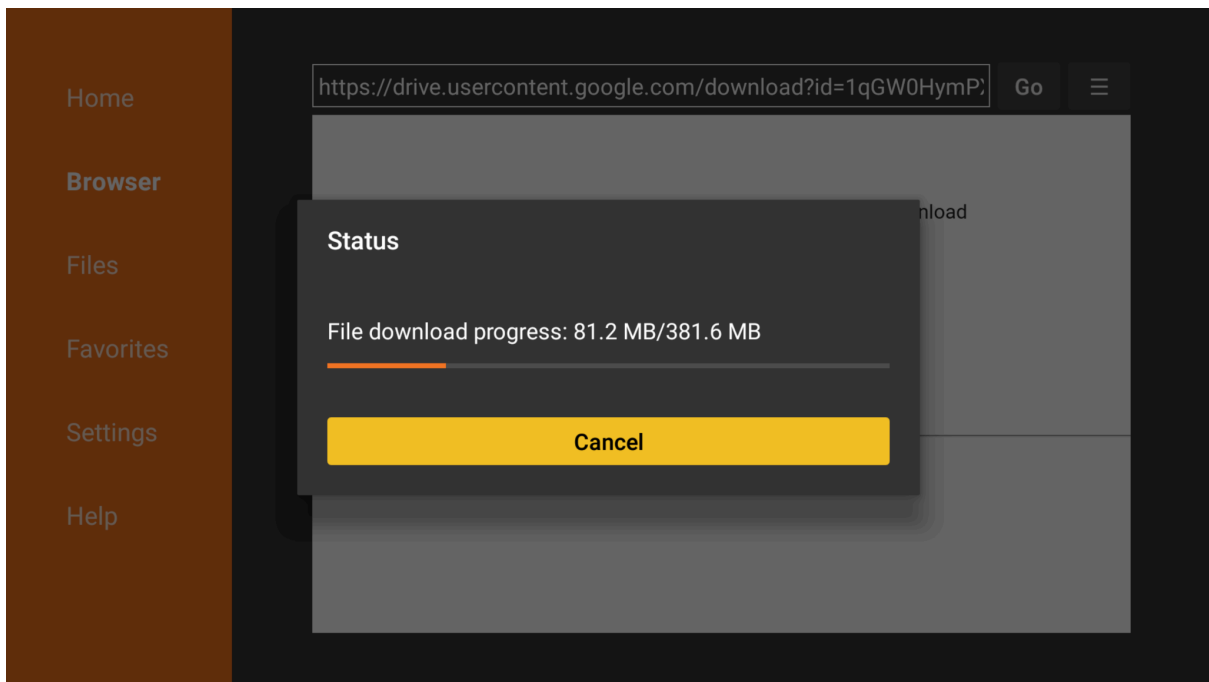

5. Click **Enter a URL or Search Term:** input

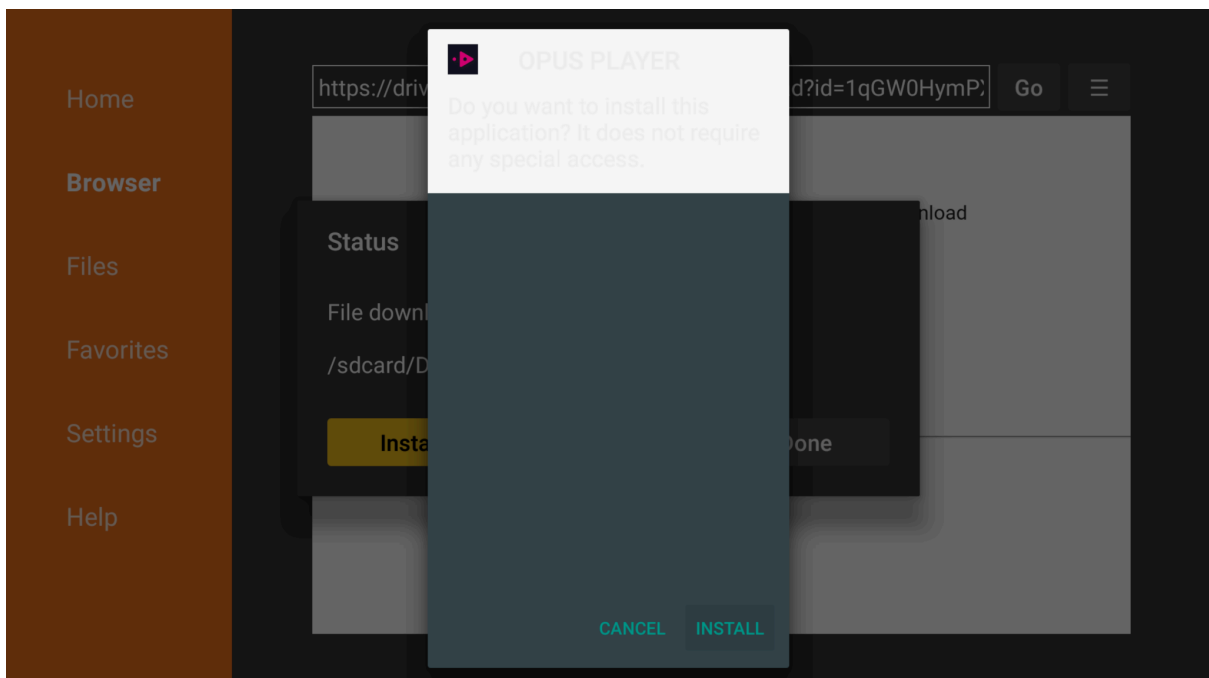

6. Type **bit.ly/opus-firetv** and select **GO**.

7. APK Download will start.

8. When the app finishes downloading, it opens the installation page. Click the **Install** button to install the app.

## 9. OPUS Iptv Player is ready to launch. Enjoy!
