Updated: 2/24/2025

2024-2025 Member Service Openings

Below are the current, available member service opportunities for the 2024-2024 BWFV AmeriCorps Program. Each host site has different needs and services, so there are different position descriptions for each position. Applicants can review the position description for each host site. Applicants will select what host site(s) they wish to apply to. We anticipate more opportunities will be posted throughout summer and fall 2024.

If you're interested in current and/or future service opportunities for the 2024-2025 service year OR have questions, please contact Amanda Ross, AmeriCorps Program Director at amanda.ross@unitedwayfoxcities.org

Please note, unless otherwise stated, there will be one member position per host site and members will not be serving at multiple host sites listed.

These positions are filled and are no longer available:

Multicultural Coalition, Inc. - Menasha, WI -

Position 1:

- **Position title:** Health Information Program Coordinator. The position will average 35-40 hours/week from 9/1/2024-8/31/2025. The position must start by or before 10/21/2024.
- **Position overview:** The Health Information Program Coordinator will be a key part of Multicultural Coalition Inc's (MCI) efforts to reach communities of color where they are with health resources and information. MCI's mission as a whole is to elevate all communities of color through responsive our innovative actions to create and build a movement of positive and sustainable change, together. The Health Information Program Coordinator will support that mission by working side-by-side with the MCI Program Director as an advocate for communities of color and other underserved populations. The Health Information Program Coordinator will operate under the supervision of the MCI Program Director, but will be asked to execute many tasks with great independence. The Program Coordinator will get hands-on experience with community organizing, approaching interactions through a culturally competent lens and work with team members to support the goals of MCI.

Reach Counseling - Appleton, WI -

- **Position title:** Prevention Educator. The position will average 35-40 hours/week from 1/2/2025-8/31/2025. The position must start by or before 1/13/2025
- **Position overview:** Reach Counseling is a sexual assault service provider for children and adults that offers culturally responsive outreach, prevention education, victim advocacy, trauma counseling, and sex offender treatment. As an anti-violence agency, we strive to heal lives and transform communities. The Prevention Educator works directly with Winnebago, Outagamie, and Calumet school districts, counselors and teachers to coordinate Prevention Education in public and private schools. Education will focus on empowering the victim,

and the prevention of child sexual abuse, sexual harassment and sexual assault while remaining age appropriate and inclusive to all genders. Duties also include promoting the agency's mission and services by building community awareness and empowering and engaging adults in prevention of child abuse. This position will serve alongside the Prevention Education Manager throughout the service term.
