

Your Virtual Office

This is your lifeline in Color Street. All information can be found here. Don't be afraid to look around and click on links.

On your computer,

- Click on your name on the top right
- View Profile
- Upload a picture of yourself. This is the face of your business, everyone will see this when then order from you.
- Product Credits you earned are the last tab (they do not need to be used all at once)

Team

- Graphic View - this is very important to check daily if you have a team. You can see where you are and anyone on your team that you sponsored.

Ordering

Remember when ordering for yourself, do not click shop. Go into your party and add yourself as a guest and order from there.

Contacting Color Street

If you or any of your costumers need to contact Color Street, go to the home link and select customer support
