

THE LAST FIVE YEARS

MD PACK

THE LAST FIVE YEARS is coming to Cambridge. Be a part of this iconic 2-person musical! We are looking for a Musical Director to bring this show to life!

The show will take place on May 15th and 16th in Clare Chapel.

ABOUT THE SHOW

Hi I'm Izzy, a finalist education student at Homerton! I am incredibly excited to be bringing this wonderful show to Clare chapel for 2 very special nights next term! I'm looking to work with a small but dedicated group of people over the term in a relaxed way to bring this show to life!

SYNOPSIS

"I think that I could be in love with someone like you..."

Jamie and Cathy's relationship is over five years after they first met. Both have their stories to tell from meeting to breaking up, but while Jamie follows the events chronologically, Cathy traces the relationship backwards. With alternating songs, the pair meet only once in this sung-through musical, exploring themes of marriage, career ambitions and what it means to be in love. Humorous yet poignant, at times heart-warming and at times heart-breaking, *The Last Five Years* encourages us to see the complexities within modern relationships, and ultimately consider whether we are right to do the things we do for love. Accompanied by a powerful score, the *Last Five Years* moves between hilarious comedy songs and tender, emotional ballads to produce a whirlwind picture of Jamie and Cathy's relationship, told through both their lenses.

VISION

This production of *The Last Five Years* begins with a simple idea: to create an intimate, truthful space in which two performers can tell this story with clarity, vulnerability, and musical freedom. In the unique setting of Clare Chapel, the focus will be on the immediacy of the music and the emotional honesty of the performances, allowing the piece to unfold with a sense of closeness between performers and audience.
