

MathXL Work Habits Rubric

MathXL will count for two work habits grades. One grade will be for the MathXL Recording Sheet and one will be for the percent accuracy on your online MathXL. You will NOT receive credit for either unless BOTH components are turned in (as explained in the 0 or Missing section of rubric).

4 Above Expectations	<p>All problems are completed.</p> <ul style="list-style-type: none"> • All answers are written in the box • Work is shown for every problem • Reflection question is answered in complete sentences • Homework is completed by the due date <ul style="list-style-type: none"> • Online homework score is a 90% - 100% (remember you can redo your homework multiple times)
3 Meets Expectations	<p>All problems are completed.</p> <ul style="list-style-type: none"> • All answers are written in the box • Work is shown for every problem • Reflection question is answered • Homework is completed by the due date <ul style="list-style-type: none"> • Online homework score is a 75% - 89% (remember you can redo your homework multiple times)
2 Approaching Expectations	<p>Completed more than half of the problems.</p> <ul style="list-style-type: none"> • Answers are written in the box for most problems • Work is shown for most problems • Reflection question is answered • Homework is completed late <ul style="list-style-type: none"> • Online homework score is a 60% - 74% (remember you can redo your homework multiple times)
1 Does not meet expectations	<p>Completed less than half of the problems.</p> <ul style="list-style-type: none"> • Answers are written in the box for some problems • Work is shown for some problems • Reflection question is not answered • Homework is completed late <p>Started online homework but not finished.</p>
0 or M Missing	No problems completed or Homework sheet is missing.
