

Gritty Adventure!

We would like to welcome you to take this adventure, matey! Travel with and embrace our unique and diverse crew here at Waterville Primary! Sign up below to shadow someone's classroom. All you have to do is exchange your entrance ticket with your host teacher, for some golden treasure (pirate booty)!

Be brave and willing to share examples of how you (1) teach with passion; (2) immerse and engage your students; (3) develop rapport with your learners; (4) ask and analyze to creatively teach material

and remain open to authentic feedback; (5) transform barriers and turn them into advantages; and (6) use your enthusiasm to promote, market, and sell your content to the students!

Do you want to be great this year? Shout out loud that you do! Be fearless and ready to show your strengths, remember that "perfectionism can paralyze" (Burgess, p. 158). No landlubbers here! Heave, Ho, let's "create freely, liberally, and in great quantities; doing so relieves any one idea of the need to be perfect" (Burgess, p. 159). Be proud of your talents and teach with all of the enthusiasm and joy you can muster. YO HO HO! It's going to be a great year!
