

**SL: Here to help...**

**Hi Ivana,**

**I admire your courage to share about your then digestive challenges, binge eating, food obsession, and your mild depression.**

**Your transparency will help others who are facing similar struggles today.**

**In a way that matches your voice,**

**But in a different tone.**

**You could get more people to want to know more about the uniqueness of your teachings...**

**You could increase your client conversion rates**

**Fill your days with a whole more clientele**

**All by speaking in a language they want to hear...**

**Are you interested in boosting your products' performance?**
