

Welcome back from The School That Leads!

During winter break, stories about two great City High students appeared in the local newspaper. In case you missed them, senior Ben Weideman was showcased as City High's "do it all" student. Weideman is the school's star butterfly stroke swimmer, an accomplished scholar and pianist, and a member of the school's show choir. Junior Magill Schumm, was featured in a piece about her travels to India, where she will spend the second half of the academic year at a prestigious international school in Mussoorie, India, the same school her father attended as a child.

In addition, many students will be inducted into the National Honor Society at a January 31 event. Students with grade point averages of 3.5 or higher and who show good leadership and service traits qualify for this honor. City High inducts an impressive 100-plus students into the NHS per year.

It's great to be a City High Little Hawk! --John Bacon, Principal
