_____ is the Best Book Ever
title of book

They say a good book is one with lots of _____, and boy does _____
plural noun book title

have lots of those. _____ by _____ was a(n) _____ and thought provoking
book title author adjective

book. It tells the story of _____ and their quest for the _____. In
main character adjective noun

one particularly _____ scene, _____ goes to a(n) _____ and confronts _____.
adjective main character location person who's a jerk

This scene was very progressive and broke a lot of social norms. _____ didn't care that
main character

anyone judged them for _____ a _____. Also, the scene where _____
verb ending in ing noun main character

overcomes their fear of _____, the author used a powerful _____ and was so _____.
plural noun literary device adjective

that I _____ in my pants. So buckle up your seatbelts everyone as we dive head-first
verb, past-tense

into what is arguably the best piece of literature on this earth.

On page _____ we follow _____ who is fighting crime in a _____.
number main character color of shirt you're wearing

_____ and our protagonist says that they are feeling _____. This was such an
type of car feeling

emotional scene as I am sure we can all relate to what our main character is facing. The color of
the car is significant because it symbolizes _____'s struggle to suppress their desire to
main character

_____. You see, _____ literally cannot stop doing the previous action I mentioned
verb main character

24/7, so they turned to a life of fighting crime. Truly inspiring. I will never be able to look at
_____ the same way again. _____'s use of the color _____ to symbolize
plural noun author's last name color of shirt you're wearing

the plight of modern-day society and was revolutionary.

This book also has its fair share of _____ and controversial moments. Like in one scene,
adjective

_____ got shot in the _____ and then they screamed, “ _____ ”
main character body part exclamation!

Now some readers might think that having the main character in a book made for children saying

such horrid things makes him a(n) _____, but these readers aren't seeing the big
adjective noun

picture. The big picture is that this book will help everyone to be a better _____
adjective noun

and not the bigot they started out as. Although to be fair, I wasn't expecting such language to be
used, so parental supervision is much advised.

In conclusion, this book was truly life-changing. If I had the choice to save _____
big number

baby _____ from drowning or reading this book again, I would read this book again. To
plural animal

quote _____'s final line in the novel, “You only _____ once.” Those are words I'm
author's last name verb

going to live by for the rest of my life. I'm going to get them tattooed on my _____. I would
body part

definitely recommend _____ to a friend. Or an enemy. Everyone should read it. I sure did.
