

INTERNATIONAL SCHOOL OF MONTEREY

The mission of the International School of Monterey is to educate all children toward becoming conscientious, compassionate, and responsible citizens of the world.

PERMISSION TO LEAVE CAMPUS UNATTENDED

At the end of the school day, ISM expects you as a parent/guardian to transfer care of your child in one of the following ways:

1. Pickup your child outside the classroom.
2. Drive up at the front of campus to load your child (not applicable to kindergarten students). (Note: The school staff manages a pickup procedure that facilitates pickup of all students at the front of campus within 20 minutes of the end of the school day. If students have not been picked up within 20 minutes of the end of the school day, ISM staff will escort them to After-School International care, and parents will be expected to pay the applicable ASI fees for those services.)
3. Authorize another adult in advance to pickup your child as described in 1 or 2.
4. Make advance arrangements for your child to participate in ASI.
5. Sign this permission form deeming your child old enough and sufficiently responsible to leave campus unattended by an adult.

Name: _____ Grade/Teacher: _____

I, _____, deeming my child as named above to be old enough and sufficiently responsible to leave campus unattended by an adult, hereby grant permission for my child to leave the ISM campus after the school day ends.

By signing this form, I acknowledge and accept all risks of my child leaving campus. Further, I understand and accept that:

1. The intent of this permission must be to allow my child to walk home or to another designated destination, and specifically not to allow my child to wait near campus unsupervised until picked up at a later time.
2. My child must leave school grounds promptly following the end of the school day and may not return to campus unsupervised until the grounds become open to the public at 6:00pm.
3. My child's departure from campus will not be under the direct supervision of ISM employees.
4. This permission applies to all school days without limitation, and does not depend upon ISM ensuring that my child leaves campus with another specified child or sibling.
5. ISM does not have any implicit or explicit responsibility for the oversight or safety of my child after the end of the school day (2:30 for kindergarten and 3:05 for grades 1-8 Monday, Tuesday, Thursday, and Friday; 12:50 for all students Wednesday).
6. I assume all risks of my child being unsupervised off campus and any other risks arising out of, or relating to, the granting of this permission.
7. I hereby agree to hold the International School of Monterey harmless from and against any claims arising out of or relating to my child being unsupervised off-campus, including any liability for my child's conduct or activities.
8. ISM reserves the right to revoke this permission at any time and for any reason.
