

I'm not trying to say that Soojin did not commit school violence.

“I don’t think it’s right for her to say that she wasn’t planning on mentioning Soojin because she literally reenacted the meeting and talked badly about her and whenever another idol group’s name came up, she’d ask, ‘They didn’t commit school violence, right?’ + Yes, the friend did play the song but she(sister) still danced to it, that’s a fact. + I don’t understand why she’d say she couldn’t tell her friend not to play the song when the next song that played was also a (G)I-DLE song and for that one, she had told her friend to turn it off because she doesn’t like it. + She said she didn’t think fans would see it but when her friend would say, ‘Yeorobun(t/n a saying that Shuhua in (G)I-DLE says!)’ she recognized it.”

“What they’re saying is true but she said that she was fans of everyone except for Soojin. After that, the sister took her phone and erased all of (G)I-DLE’s songs”

The next song that played was ‘HANN’ and the friend said she didn’t like the song but she asked if she could listen to at least Soyeon’s verse, and the victim(C) laughed and said, “You’re a fan~” and then she asked the friend if she knew Soojin’s verse too, then she said that she’s a fan of every member except for Soojin. It’s true that it was a mocking atmosphere, also, the victim could have stopped it, but she didn’t.

방탄 언급 내용

언니 친구분중에 자칭 방탄 팬이라는 사람이 계셨는데 그 사람제외 옆분들이 아 방탄은 좀 그래 개네는 학폭있어?없지? 이런 뉘앙스로 계속 언급 방탄 팬이라는 부분은 계속 언급하면서 아니 방탄이 뭐 잘못했냐 이러시고 이런 얘기 반복하다가 방탄 팬이라는 분이 그래~ 뭐 난 개네의 사생활 (어쩌고 얘기하다가) 그냥 개네 음악을 좋아하는거니까~

“An account about her mentioning BTS

There was a friend of the sister who was a fan of BTS and the person next to them said, ‘Ah, I don’t really like BTS. Did they commit school violence? No, right?’ They kept talking about BTS to the fan like this, and the BTS fan would reply, ‘What did BTS do wrong?’ The friend(fan) kept repeating this to them and then eventually they just said, “BTS are okay people~ Well, their private life(They talked about this for a bit). I just like their music, that’s all~”

“What’s most questionable to me is that in the livestream, the little sister said, ‘If she apologized, I was thinking of forgiving her.’ But the older sister has a different personality than the little sister so she said, ‘I think my little sister is so kind for that’ and she continued saying that it’d be hard for her to forgive her(SJ). I understand that she might be concerned with her sister because they’re family, but the little sister had erased all of her SNS accounts but I wonder why the older sister would turn on a livestream and let out her anger about Soojin and mention her. She would bring up other celebrities and say, ‘(name) wouldn’t have done school violence, right?’ And then she would check if some person was being talked about in the news and then would

randomly say, "Do you think there are SSJ fans here?" and then they turned on (G)I-DLE's music and danced to it. She even mentioned the situation(with SJ) and called(Soojin) a sociopath, talked badly about her, and even talked about SJ's family's discipline(home education). She even said really bad things. The friend next to her also said, 'That f*ing b*.' Also, when I see that people had seen a recording of them talking about what the little sister had said with SJ, it doesn't seem like she(sister?) was there with her.. Why is the big sister trying to express more anger while talking about the situation with the little sister and Soojin? Before the live stream, I was convinced, but now, I'm not too sure. Eventually, the friend said, 'Let's stop talking about SJ. Let's stop the livestream.' But the older sister was hesitant to turn the live stream off,, maybe she wanted to keep telling us how she was mad? Hopefully, she's not using her sister to get out her anger."

저분 라방에서 서수진 언급 할 생각 없다고 하셨는데 그러기엔 너무 다른 연예인들 얘기 나올 때마다 "@@은 학폭 없지?" 이러시고 서수진 얘기만 30분 넘게 하심. 방탄언급도 하긴했음 슈가가 누구냐고도 물어봤음. 서수진 소시오패스라고 얘기했고 노래 못한다고도 말함

"She talked way too much about other celebrities to say that she didn't mean to mention Seo Soojin. Whenever they talked about another celebrity, she said, '@@ didn't do school violence, right?' and she talked solely about Seo Soojin for over 30 minutes. She also mentioned BTS. She even asked who Suga was. She called Soojin a sociopath and said that Soojin couldn't sing."

그 배우 지수님 학폭 폭로자 분에 대해 이야기를 하셨어 그분은 사과고 뭐고 필요없고 낙인찍혀서 살아라 이런식으로 하셨다고 말하시면서 대면하고 나서 그분이 왜 그런말 하신지 알겠다고 '이 새끼는 사람이기를 포기한 새끼구나 내가 사과할 기회를 몇번이나 줬는데 끝까지 사과안하고 오늘도 기억이 안난다.. 하니까 그딴소리 들을꺼면 내동생 내가 안데리고 나갔지 내가 가서 따지는건 상관없는데 내 동생을 내가 끄꿍 숨겼다가 드디어 내보였는데 내 동생을 만나서 한다는 개소리가 난 기억이 안나.. 아 스브그램 왜 만나자고해 소시오패스야?' 난 정말 그대로 옮겼어.. 문제되면 바로 삭제할게 너무 무서워

“She talked about the school violence of actor Jisoo and the person who revealed his violence and said, ‘He shouldn’t apologize. Just live with the guilt.’ And then she said she knows why she knows why he(Jisoo) said that. Then she said(about Soojin), ‘This b* is a b* who decided not to be a human. I gave her multiple chances to apologize but she won’t apologize till the end. She said she didn’t remember again today.. If she was gonna say stuff like that... I didn’t even bring my little sister the first time and I hid her and I don’t care if I go and argue, but I hid my little sister and I finally let her out but the bullsh* you say when you meet my little sister is that you don’t remember that happening.. Then why the f* did you want to meet with my sister?? Are you a sociopath?’ I really moved on after I heard this.. If this becomes an issue, I’ll delete this. I’m so scared”

나도 라방 본 사람이야 언니분이 이동하시면서 백예린 님 노래가 나오자 ‘
바예린 노래 나오네 바예린은 학폭 안 했지?’라고 말씀하셨고, 옆 친구 분
께서 ‘우리 예린이는 그럴 애가 아니니깐 너는?’ 이러면서 대화 나누심.
서수진을 떠나서 특정 연예인이름으로 헐뜯거리는 거 선넘으신 거 같아
그대로 옮겨 적은 거 맞고 문제 될 시 삭제할게

“I also watched the livestream. While she was talking a Baek Yerin song came on and she said, ‘A Baek Yerin song is on. Baek Yerin didn’t commit school violence, right?’ and the friend next to her said, ‘Our Yerinie isn’t the type of kid to do that, what about you?’ Talking about celebrities other than Seo Soojin and asking if they’ve committed school violence is crossing the line. If this becomes an issue, I’ll delete”

“When ‘HANN’ turned on after ‘DUMDi DUMDi’, she said that she didn’t like the song and to turn on another song”

Top 3 replies to this Pann post:

[+303, -45] “She also said that it was a shame that she didn’t snap Soojin’s neck in the past. Also, she(older sister) said that when Soojin called and cussed at the sister, the older sister took the phone and cussed at Soojin too and said, ‘Where are you right now? I’m gonna kill all of you. Aren’t you ashamed that this is all over 3,500 won? I’m gonna take a taxi to where you’re at.’ It’s true that Soojin cussed at the little sister but the older sister cussed at Soojin too..”

(t/n: the word “snap neck” isn’t used specifically, however, the term they use is a term that’s used to describe the way that birds like chickens were killed in the past by twisting their necks)

[+266, -77] “If you think about it, it’s true that it’s not confirmed Soojin did it(Not saying that she isn’t a perpetrator of school violence) But it’s really crossing the line to talk about her home education(discipline) and to call her a psycho”

[+275, -26] “The people who saw her livestream were all sorta meh and I just assumed that they were Soojin fans but now that I see this, I understand.. It’s true that the older sister had said weird things on the livestream.”
