Points System (X Points Total)

Standings Displayed On: <https://poe-racing.com/>

You may receive points **ONCE** per Character.

Level Points:

- 1 Point Per Level up to 95

Total: 95 Points

Boss Kill Points:

- Elder: 2 Points
- Shaper: 2 Points
- Atziri: 1 Point
- Uber Elder: 5 Points
- Uber Atziri: 5 Points
- Awakener 8: 4 Points
 - +1 Awakening Level from Uncharted DOES work. ANY Awakener 8.

- Mastermind (lvl 83): 2 Points
- Elder Guardian Invitation: 3 Points
- Shaper Guardian Invitation: 3 Points
- Maven: 6 Points

Total: 33 Points

Per Character Rule

All of your points will be tied **PER CHARACTER**. You do not lose points on death but if you die that character can no longer gain points. Your highest point character **PER CLASS** will be your final placement. You may place multiple times, but only once per class.

In order for your boss kills to count you must do **EVERY SINGLE POINT** of damage on your **ONE CHARACTER** to that boss. The character that does every single point of damage will receive points for the kill.

Tie Breaker:

The first player to reach a point plateau will be awarded the tie break.

Example: Player A has 123 points and they reached 123 points first. Player B has 123 points and they reached 123 points second. Player A would win the tie break.

Kill Submission:

You will be required to submit proof of your boss' kills via the Path of Exile Community Racing Discord to receive points. **Join Discord:** [Here](#)

Please follow instructions on Kill Submission within this Discord. More details will be available there. Please visit the #roles-and-auth section first and label yourself a Racer or Spectator.

Points for **BOSS KILLS** will be given at reviewers discretion.

You must **INTERACT** with the **BOSS** you are killing to receive **BOSS KILL POINTS**. You may not off screen a boss while it stands there and does nothing, and receive points. Since we require Video Proof we can police this. An example of something that will be not accepted for points can be viewed: [Here](#)

Please keep in mind, you must do **EVERY SINGLE POINT** of damage on the character you want to receive points on.

Boss Kills must be submitted within **24 hours**. If you submit a boss kill more than **24 hours** after you kill it, then it will count as you having killed it a day later. This is for Tie Breaker purposes.

ALL Boss kills must be submitted no longer than **3 hours** of the Event Ending to provide Final Standings as soon as possible.

Kill Submission Must Include:

- A Youtube or Twitch Link to the kill of the boss you are submitting points for
- Show the league you are currently in (Push Tab to show Map)
- Character sheet of the character the kill will be counted on (C by Default)
- In game time clock
- Show Watchstones if Awakener 8

Bounties :

Bounties will be portions of the prize pool used for extra prizes. (Example: \$X for first Cotex kill) You must have a public profile to participate in the bounties portion.

All Bounties must be claimed and submitted in the [Racing Discord](#) Channel #bounty-submissions. Specific rules for each will be included there.

Streamers will run a fundraiser stream for the prize pool total. An amount decided upon will be used as a bounty. Feel free to have your communities input here on the bounty. (**Note:** It needs to be trackable / there are some restrictions. See Viyro)

If a bounty is not met throughout the Gauntlet the money will go towards the overall prize pool.

Note: Your video must be LEGIBLE. For example: I need to be able to read Monster Level 83 for the Mastermind Points.
