

How to log into google classroom at home.

	You will need the full username and password found on the pupil online platforms card.
	On the first sign in screen for google enter the long pupil username. e.g. <i>student123.211@apps.bonner.towerhamlets.sch.uk</i>
	If directed to the LGfL authentication login page, enter the username up to the @ sign e.g. <i>student123.211</i> Then enter the password and click the green login button.
	If the google verification screen appears. Select the blue continue button.
	Click onto the class to access the classroom.
