Heres a little more about me :) Roxanna Shohadaee, is the Founder / CEO of habRitual and
Director and ARTchitect for the Design Science Studio. She is an interdisciplinary designer,
experiential producer, artist and creative doula working at the intersection of art, science,
experience and technology to catalyze social and systemic change through inclusive,
transdisciplinary collaborations for the regeneration of our planet and culture. Creating high level
global projects at scale for deepening connection to self, other and nature fostering equity and
planetary stewardship for fifteen years, her path is grounded in a commitment to creating
inspiring and embodied ways of learning together.
From Me to Everyone: (8:17 AM)

more about habitual: HabRitual is an experiential production, interdisciplinary design and immersive art studio based in Emeryville, CA working globally at the intersection of art, technology and nature to catalyze social and systemic change.The studio is committed to integrating nature's regenerative system design to inform and inspire holistic collaboration and design for all life to thrive, not just humans. At its core, the studio aims to support and playfully spark collective creative potential to design platforms, programs and experiences that reach, educate and inspire diverse groups of people.

From Adah Parris (she/ her) to Me: (8:17 AM)
I'm literally BURSTING with excitement for this. Thank you.
From Me to Everyone: (8:17 AM)
And more about the Design Science Studio!
From Me to Everyone: (8:17 AM)
The Design Science Studio is a decade-long anticipatory art and design-driven accelerator that empowers global creators, systems thinkers, organizations and initiatives to work together to imagine, collaborate and create a regenerative future.:)
From Adah Parris (she/ her) to Me: (8:17 AM)
My teeth are getting dry from smiling so much.

What's the password?
From Faith Flanigan to Everyone: (8:23 AM)
A bit more about my background, I am committed to systems change, as a aspiring polymath, I have been integral to the programs of the Buckminster Fuller Institute, as the lead for operations, communications, events, and strategy, among other things. With over 15 years of operations experience, bridging experts with community leaders through sense-making practices and convenings that focus on real-world solutions to planetary-scale problems.

Okay, cool thanks Roxi. Looks like my LSC profile is not as current. I'll keep an eye out for that email, thanks.
From Ruta Io to Everyone: (9:11 AM)
love this! Umair is this your project? (the slide we're seeing)
From Su-san Koch to Everyone: (9:11 AM)
been dumbing us down for centuries… current education system is based on Prussian Horse training… in which they break the SPIRIT of the horse

From Chris Weir • c.weird art to Everyone: (9:11 AM)

@claudia Umair's project sounds very relevant to our conversation with Haris yesterday.

From Claudia Brenner to Everyone: (9:11 AM)

@Umair - beautiful art and concept

From Umair Zia to Everyone: (9:11 AM)

Thank you so much. :)
