All of your “parked” questions that came up during the course of the Users Group Meeting will be addressed in this session.

2:00 – 2:30 **Brilliant Idea Presentations** – Tell us a story about *your* library!

We know that all of you are doing great programming, using helpful technologies, and working magic with your limited resources. We would love to hear, in the form of a short (3 to 5 minute), informal presentation about what you’re doing and how you’re making it happen in your libraries.

Scholarship recipients will be sharing during this session and we welcome any other attendees to present at this time.
