Provide Greater Access to STEM Education to All Students

Jasmin A.

Tutor
San Antonio Math Include

Jasmin is a rising senior graduating with the Class of 2023. As a dual-enrolled student, Jasmin is also actively taking college-level courses for two Associate's degrees at her local community college and plans to complete them shortly after her high school graduation. She has programmed in HTML, Python, C#, and Javascript. Jasmin enjoys participating in Hackathons and cyber challenges. Jasmin is also a student-athlete who plays varsity and competitive volleyball nationally. She enjoys traveling, longboarding, practicing Korean and watching anime and Korean dramas for fun. Jasmin is excited to be helping students learn about computer science and other related topics!
