I understand and accept responsibility for the following restrictions and consequences:

1. Early graduation is dependent on required course availability as determined by master schedule.
2. Early graduation may exclude me from year-long or by-application courses such as AK Smith or performance based classes.
3. Early graduation may limit college/university options as a result of reduced high school preparation.
4. Early completion could affect my Financial Aid eligibility amount for post-secondary schools.
5. Early graduation will greatly affect my chance to be named Valedictorian or Salutatorian (if a student holds 4.0 GPA to be eligible). See LaPorte High School Program of Studies.
