### **COURSE DESCRIPTION**

Indulge your taste buds and ignite your child's imagination with Sweet Tooth Decorating! Students will acquire valuable skills in learning different piping techniques while decorating cupcakes and cakes. Can we tie in our sweet tooth knowledge with God's word? Let's read through the book of Proverbs and find out.

Each student gets their own supplies to learn piping skills, which they will take home by the end of the year. They will learn some flowers and cake designs to put what they learned all throughout the year by decorating a cake.

### **COURSE OBJECTIVES**

- 1. Learn how to decorate through pretty flowers and full cake designs. Be creative with personalization and God given gifts. See the beauty of God as we decorate and read through the book of proverbs. Learn how to work with a class and a positive attitude.*

## EXPECTATIONS AND ACCOMMODATIONS

*To see the strategic techniques in cake decorating that bring beauty to your project.*

## REQUIRED MATERIALS

*The course will include the needed items. Please bring in cupcakes/cakes for the week needed. (Emails will be sent to remind) Please be sure to tie hair back into ponytail or bun to class. Also, please make sure to bring back weekly materials given.*
